## Washington Elementary Farmers Market

On Thursday, December 5, Washington Elementary hosted their Farmers Market. Some of the highlights included getting strawberries and cranberries, trying vegetables, and weighing different vegetables. The cafeteria was transformed into a farmers market. the tables were set up different and had checkered table cloths. We even had hay bails in the cafeteria. Thank you to everyone who made this event awesome!

## Farm Week Festivities

During Farm Week, we participated in different theme days including dress like a farmer, dress like a farm animal, and dress like a fresh fruit or vegetable.

## Field Trip Spotlight!

Second grade students were able to participate in Learn to Swim.

Students were able to learn about water safety and learned different swimming techniques. This is always a field trip students look forward to every year.
