

Chromebook Log In Procedure (rev 08.2023)

**NOTE - When logging in for the first time, power the device up a few minutes prior to beginning so that updates will load.

Click on image below for video directions.

| GUILFORD COUNTY SCHOOLS: LOGGING IN TO YOUR CHROMEBOOK | |
|---|--|
| If you see the Google screens below when powering up the Chromebook, click Next. Do not enter anything on the second screen; give the device a moment to update and you will see the Sign in box (adfs) pop up. | |
| This may take a few minutes | |
| Click Next. | Do nothing on this screen, wait for the screen below to come up. |
| G Sign in to your Chromebook Im Disc dence is managed by regions: contant records you to don't nevery fire. Sign in with a different account | Coogle Sign in to your Chromebook Heregot on Laignee Transment Transment Transment |
| NOTE: If you see this screen, 🛑 STOP 🛑 and place a help desk ticket; the device hasn't been set up correctly prior to delivery to the school. | |

| G Who's using this Chrome device? You can always add more people after setup. Each person can personalize their account and keep data private. | You Set up this device for work or personal use |
