

May 2025 Page High School AP and IB Exam Schedule

AP Exam Information:

- ❖ AP Students should arrive by **7:30 AM** for morning exams and by **11:30 AM** for afternoon exams.
 - AP Exams are held at Page High School. AP students will report to the main gym entrance for each exam.
- ❖ AP exams are roughly four hours because the testing session includes general instructions, time for testing, time for breaks, and time to distribute and collect exams. For large exams, this may take a longer time than usual. Plan on being finished around 12:00 PM for morning AP exams and 4:00 PM for afternoon AP exams.
 - *In some instances, morning exams may run a little over, so afternoon exams may have a slightly later start/end time.* Please be patient as we work to provide all students with a quality testing environment. We recommend that you do not schedule appointments close to the anticipated start or end time of an exam.
- ❖ **What to bring:** Students should bring pencils, pens, and an ID. If students can bring approved calculators for math and science course.
 - Students must bring their Chromebook/ laptop and charger to all exams that are digital. AP Teachers will give students more information about these exams closer to May.
- ❖ **What not to bring:** Cellphones, headphones, drinks, and unapproved technology.

IB Exam Information:

- ❖ IB Students should arrive by **8:15 AM** for morning exams and by **12:15 PM** for afternoon exams.
 - IB Exams are held at The Cathedral of His Glory (4501 Lake Jeanette Rd). Students will report to the Fellowship Hall (in the back of the church) for each exam.
- ❖ IB exam length varies based on the course and exam. IB teachers will communicate exam length with students.
 - New for 2025- The IB Organization is requiring all students be supervised for at least two hours. Even if an exam is shorter than 2 hours, students will not be dismissed until the supervision window closes. During this time, students can read or study for other exams, but they will not be allowed to leave or have access to any technology.

Late Exams:

- ❖ Students in AP and IB exams are *required* to take the exam in May. Missing the exam will result in no show fees.
 - AP Exams- \$40
 - IB Exams- \$125
- ❖ There are no late or make up IB Exams.
 - If there is a conflict with an AP exam, students will take their scheduled IB exam and then the Late AP exam. There is no charge for this change.
- ❖ Late AP Exams
 - **Late AP exam** request for personal/family reasons **must be sent to Ms. Hackney, hacknee@gcsnc.com, prior to April 11th**. These requests may still result in a \$40 late fee.
