

East Carolina University's College of Engineering and Technology presents the second annual

Engineering and Technology Symposium

Next-Gen STEM: Engaging Minds, Empowering Futures

Thursday, August 7, 2025

8:00am-4:00pm

ECU Campus

Greenville, NC

***Industry tours and an evening networking event will be held on Wednesday, August 6. More information to come.**

K-12 STEM Educators are invited to the second annual Engineering and Technology Symposium dedicated to connecting higher education with K-12 curricular standards. Through facility tours, workshops, keynote speakers, and panel discussions, discover innovative methods to integrate real-world applications across all K-12 content areas. Network with educators and ECU College of Engineering and Technology faculty to forge collaborations aimed at enhancing K-12 student preparedness for post-graduation opportunities.

Use the link or QR code below to reserve your seat for this **FREE** event. Breakfast and lunch will be provided.

The deadline to register is April 30, 2025.

Space is limited and tickets will be issued based on the order in which they are received.

For more information, contact Dr. Natalie Aman at amanna17@ecu.edu
