

NC STATE

Wilson College of Textiles

Summer Textile Exploration Program

Are you interested in fashion design, engineering, management, chemistry or textile design?

Explore how you can turn your passion into a degree during our **Summer Textile Exploration Program (STEP)** on NC State's campus.

The Wilson College of Textiles hosts five week-long sessions for rising high school seniors.

You'll get to:

- Work on a project in our state-of-the-art studios and labs.
- Live in our residence halls.
- Learn from our faculty, staff and students.
- Explore our scholarship opportunities.

June 8-13, June 15-20,
June 22-27, July 6-11

Textile Pioneer Week: July 13-18
sponsored by **Cone Mills**
CHARITABLE FUND

Need-based scholarships
