Southern Guilford Elementary 8/26/2024

## **Comprehensive Progress Report**

**Mission:** Southern Guilford Elementary strives to develop responsible students who are given the opportunity to achieve success in academic, personal, social and emotional development in a safe and nurturing environment where caring and learning go hand in hand. By teaming the staff, students, families, and community, we bring out the highest potential in everyone.

Vision: The vision of Southern Elementary is to become a school where students will prosper as life-long learners.

## Goals:

By June 2023, as measured by our school data card, Southern Guilford Elementary, will increase our school performance score in third grade reading to 45.4%. The baseline overall performance composite in reading will show the following increases from the current level of 49.6%. (A1.07, A2.04, A4.01, B2.03, B3.03, C2.01) By June 2023, our overall performance composite will be 51.1% By June 2024, our overall performance composite will be 52.6% By June 2025, our overall performance composite will be 54.1%

Baseline data from our 2021-2022 3rd Grade Reading End-of-Grade assessments show a proficiency gap between our White students and Hispanic students. Our White student population reflects a 52.4% proficiency level in reading while our Hispanic student population demonstrated a 38.8% proficiency level. The gap between proficiency achievement levels is 19.1 percentage points. By June 2023, Southern Elementary School will reduce the proficiency gap between the two sub groups by increasing the proficiency level of our Hispanic students by 1.5% points to 34.8%. (A1.07, A2.01, A2.03, A2.04, A4.01, A2.27, E1.01)

By June 2024, Southern Guilford Elementary School will increase parental involvement, creating a learning community of students, parents, and teachers thus enhancing the climate and culture of the school. A participation goal of 20% percent of our parents will be the measure for the 2022-2023 school year, based on volunteer registrations, attendance at school functions, and service on school committees. (A2.13, A2.14, A2.17)

As a student success indicator, Southern is concerned about the number of students who miss more than 10% of their instructional time. In May of 2022, 62 students were considered chronically absent representing 26.15 of the enrolled students. By June 2023, Southern will reduce the number of chronically absent students by 5 percentage points from the 26.1% in May of 2022 to 21.1%.

By June 30, 2024, Southern Guilford Elementary will increase overall 3rd-5th grade reading EOG proficiency by at least 3 percentage points, from 47.1% in 2022-23 to 50.1% in 2023-24.

By June 30, 2024, Southern Guilford Elementary will decrease chronic student absences (10% or more of days enrolled) by 5 percentage points, from 5% in 2022-23 to 4.5% in 2023-24.

By June 30, 2024, Southern Guilford Elementary will increase its overall Performance Composite by at least 3 percentage points, from 58.9% in 2022-23 to 61.9% in 2023-24.

| Experience                          | 5/28/2024 Substitutes have been secured to cover classes so that grade levels and grade spans can meet prior to the new quarter for in-depth planning.  |                                   |                  |             |

| Sustainability                      | 5/28/2024 An outline of expectations for the work to be done needs to be created, discussed, and distributed. An agenda, minutes, and lesson plans will be used as documentation for planning days.  |                                   |                 |             |
|-------------------------------------|--|-----------------------------------|-----------------|-------------|
| B1.01                               | The LEA has an LEA Support & Improvement Team.(5135)   | Implementation<br>Status          | Assigned To     | Target Date |
| Initial Assessment:                 | Currently Southern has several teams that work collaboratively to gather data to examine core practices. The School Based Leadership Team, Instructional Support Team, and MTSS team work in tandem to collect data, review findings, and create next steps to improvement instruction. To help us with this work the following components have been implemented.  A new digital walk-through form has been created and distributed.  The schedule for walk-throughs has been created and reviewed.  Teachers have received feedback based on walk-through data. | Limited Development<br>10/07/2022 |                 |             |
|                                     | Priority Score: 3 Opportunity Score: 3   | Index Score: 9                    |                 |             |
| How it will look<br>when fully met: | When fully implemented, teams will provide feedback on a regular and consistent basis to support improvement in instruction. We will use data from the following sources: walk-through forms, chronic absentee forms, teacher feedback, and documentation providing evidence of changed practices.   | Objective Met<br>05/28/24         | Johnathan Moore | 06/07/2024  |

|                                     | Notes:   |  |                                   |                |             |

| 8/30/17 | Teachers will use the data collection chart to record interventions and progress monitoring. The principal and CF will monitor to ensure that adequate progress monitoring is taking place.   | Complete 10/13/2017 | Carole Ashby   | 10/16/2017 |
|---------|---|---------------------|----------------|------------|
| Notes:  | Data charts have been distributed to teachers. Teachers will keep data charts for each student. Following a required intervention schedule, teachers will provide each student with instruction to meet his/her needs based on data.  |                     |                |            |
| 8/11/16 | Assess students to get a baseline for their individual needs. Provide interventions and record interventions and progress monitoring on a school created data sheet. Conduct progress monitoring. Principal and Curriculum Facilitator will monitor weekly to ensure that interventions are being done with fidelity.   | Complete 10/27/2017 | Carole Ashby   | 10/30/2017 |
| Notes:  | All students (K-3) will have been assessed using Reading 3D assessments (DIBELS to assess phonics skills and TRC for students reading level) by September 22 All students in 4th & 5th grade have been assessed using the IRLA assessment, a part of the ARC/Balanced Literacy program by October 5. Based on the data, teachers will create an Intervention/Progress Monitoring plan for each student. As students have mastered a specific skill/goal, teachers adjust their interventions and/or schedule to meet the needs of all students. |                     |                |            |
| 8/11/16 | Provide time daily for wide reading in grades 3-5; time for read alouds in K-2 – transitioning to wide reading as students are reading Hold conferences with students during wide reading to learn more about their reading preferences, skills, and needs on a rotating basis Provide feedback and next steps to students during wide reading conferences  Engage in writing across the curriculum daily   | Complete 10/26/2017 | Carole Ashby   | 10/31/2017 |
| Notes:  |   |                     |                |            |
| 10/8/19 | Use Title I funds to purchase new interactive short throw projectors for all of the classrooms to enhance instruction. In addition, purchase a class set of laptops with Title I funds.   | Complete 12/31/2019 | Sarah Chrisman | 01/17/2020 |
| Notes:  | Short throw projectors were installed during winter break on December 31 by the GCS technology department.  |                     |                |            |
|         | Use Title I funding to hire tutors to support Tier II and Tier III students.  | Complete 01/31/2020 | Carole Hilbert | 02/01/2020 |
| Notes:  |   |                     |                |            |

| 8/14/19 | Teachers will receive training in the use of MTSS structures. The tiered interventions are a means of intensifying and tailoring instruction to support all students in the areas of academics, behavior, attendance, and social/emotional well being. Teachers will intentionally serve students based on their individual needs through the tiered system.  | Complete 04/24/2020 | Carole Hilbert                   | 06/10/2020 |
|---------|---|---------------------|----------------------------------|------------|
| Notes:  | Teachers are assigned webinars to view, created by district MTSS coordinator, Dr. Tina Lupton.  A follow up meeting will be held to facilitate a discussion about webinar. Teachers will complete a reflection sheet to explain what they learned, how they can implement the new strategy, and what wonderings they have. Teacher will meet for a debriefing session on: September 17, October 22, November 19, December 9, January 13, February 10, March 17, April 14, and April 22. |                     |                                  |            |
| 10/9/20 | All math teachers will be train in Number Worlds  | Complete 10/30/2020 | Rebecca Starnes                  | 10/30/2020 |
| Notes:  | Guilford County Schools will provide training to teachers and Curriculum Facilitators. In PLCs, Number Worlds will be discussed as an intervention for students needing additional learning supports.   |                     |                                  |            |
| 10/9/20 | Provide training for instructional leaders on problem-solving Core and Supplemental within PLC meetings.  | Complete 05/28/2021 | Rebecca Starnes                  | 05/31/2021 |
| Notes:  | The Curriculum Facilitator and Principal are participated in district-wide trainings monthly. They will provide training to staff to enhance their understanding.   |                     |                                  |            |
| 10/9/20 | In PLC meetings, teachers will identify students who need instructional support or enhancement through the use of data.   | Complete 06/03/2021 | Rebecca Starnes                  | 06/05/2021 |
| Notes:  | Data analysis will take place during PLCs. Students in needs of supplemental support will receive research based interventions with progress monitoring.  |                     |                                  |            |
| 10/9/20 | Students' academic outcomes will be monitored using universal screeners (as available), progress monitoring, benchmarks, formative and summative assessments.   | Complete 06/03/2021 | Rebecca Starnes                  | 06/10/2021 |
| Notes:  | Daily monitoring of student understanding will take place. Reteaching and supplemental support will take place on an ongoing basis to ensure that students maintain an understanding of the content taught.   |                     |                                  |            |
| 10/9/20 | Monitor supplemental and intensive interventions through forms provided by psychological services.  | Complete 06/10/2021 | Haley Black, school psychologist | 06/10/2021 |
| Notes:  | With the help of the school psychologist, forms will be monitored and reviewed.   |                     |                                  |            |
|         |   |                     |                                  |            |

| 2/11/22  | Tutors will be hired by GCS to work with students who are testing at the 20% or less level.  | Complete 03/31/2022 | Rebecca Starnes | 03/31/2022 |
|----------|--|---------------------|-----------------|------------|
| Notes    | <ul> <li>Tutors will be selected through an interviewing process.</li> <li>They will complete the GCS application and learning sessions for tutors.</li> <li>A schedule will be created to allow students to receive at least 3 days of pull-out tutoring to focus on reading for thirty minutes.</li> <li>Tutors will work with no more than five students in a group who will receive supplemental and intensive reading instruction.</li> <li>The tutors will use the GCS forms and documents to assess and monitor growth.</li> <li>The tutors will provide a bi-weekly report on their students' progress to the admin team and monthly to the SBLT.</li> </ul> |                     |                 |            |
| 10/7/22  | Tutors will be hired to address learning gaps.   | Complete 08/30/2022 | Carol Hilbert   | 08/30/2022 |
| Notes:   |  |                     |                 |            |
| 10/25/22 | Books for classroom libraries will be purchased with Title I funding to supplement wide reading opportunities for students. Title lists curated to reflect the curriculum for each grade level with attention to the topics of social emotional learning and diversity.  | Complete 10/25/2022 | Sarah Chrisman  | 11/01/2022 |
| Notes    |  |                     |                 |            |
| 10/25/22 | Makerspace resources and materials will be purchased, using Title I funds, to enhance STREAM teaching and learning.  | Complete 01/13/2023 | Sarah Chrisman  | 01/01/2023 |
| Notes    |  |                     |                 |            |
| 10/7/22  | Teachers will use exit tickets in Eureka math to create targeted support groups. Based on the performance data from exit tickets, teachers will determine the level of support needed to help students meet current goals. Exit ticket data will be kept on the county's spreadsheet and shared bi-weekly with the curriculum facilitator and principal. Data will be discussed in weekly PLCs.  | Complete 06/02/2023 | Rebecca Starnes | 06/02/2023 |
| Notes:   |  |                     |                 |            |
| 10/25/22 | Virtual Science Field Trips will be purchased with Title I funds to provide students with hands-on activities and opportunities for real-life connections with the science curriculum at each grade level.   | Complete 10/15/2023 | Sarah Chrisman  | 10/15/2023 |
| Notes    | Title I funds will be used to purchase these science kits.   |                     |                 |            |
| 11/28/23 | During monthly PLCs, teachers will review progress monitoring data to gauge student performance. High dosage tutoring decisions will be driven by this data.   | Complete 05/15/2024 | Erin Morgan     | 04/30/2024 |
| Notes:   |  |                     |                 |            |
|          |  |                     |                 |            |

| Implementation: |  | 05/28/2024 |  |
|-----------------|--|------------|--|
| Evidence        | 5/28/2024 Teachers are using data charts to document interventions and progress monitoring. Data is also tracked digitally through all progress monitoring systems. Data is visually represented on a data wall in the PLC room.   |            |  |
| Experience      | 5/28/2024 Southern has implemented a Tiered system of instruction to meet the needs of individual students. Guidelines for progress monitoring students have been created. Teachers are documenting interventions and progress monitoring. Reteaching is occurring for students who fall below the 80% mark on unit assessments. |            |  |
| Sustainability  | 5/28/2024 Teachers will continue to monitor student achievement and offer support for students who fall under grade level expectations.  |            |  |

| KEY                                 | A1.07  | ALL teachers employ effective classroom management and reinforce classroom rules and procedures by positively teaching them.(5088)   | Implementation<br>Status          | Assigned To   | Target Date |  |
| Initial Assessment:                 |        | PBIS procedures, expectations, and rewards have been explained to staff. Students were taught school-wide expectations developed by the PBIS team. All staff members are connected to Class Dojo and use it to communicate with families on a daily basis. All staff members were stocked with reward tickets. Students can earn tickets to exchange for points. A monthly PBIS store with items that students can purchase using their Dojo points will be implemented. | Limited Development<br>08/30/2017 |               |             |  |
|                                     |        | Priority Score: 2 Opportunity Score: 3   | Index Score: 6                    |               |             |  |
| How it will look<br>when fully met: |        | All teachers will be implementing PBIS expectations by adhering to the 4:1 policy. They will be rewarding students for appropriate behaviors with points which they may use to purchase items at the PBIS store. Students may save points to purchase larger prizes. Teachers will continue to recognize and celebrate students' positive behavior and maintain a positive ratio of 4:1.   |                                   | Stacy Creed   | 06/01/2025  |  |

| 9/18/17 | Teachers will Implement the use of Flocabulary to increase vocabulary skills. Flocabulary has been purchased for use school-wide. Teachers have begun loading vocabulary and allowing time for students to use the program.   | Complete 10/20/2017 | Carole Ashby    | 06/10/2018 |
| Notes:  | Data suggests that students need more explicit instruction in the use of language, specifically understanding vocabulary.   |                     |                 |            |
| 8/11/16 | Grade levels will meet weekly for 80 minutes to unpack the standards with the agenda focused on reviewing standards, brainstorming best practices for instruction, and reflecting upon and analyzing the data. Keep minutes from the PLC meetings and submit to principal. Set instructional goals based on data Research, implement, review, and assess new and old practices to meet the goals                          | Complete 06/07/2019 | Rebecca Starnes | 06/10/2019 |
| Notes:  | Teachers are currently meeting weekly during their 80 minute PLC to review data, unpack the curriculum, and plan for rigorous instruction. Ongoing dialogue to clearly define "rigor" will take place in monthly staff meetings. Teachers will create work samples based on the teachers' understanding of rigor to model for students. A rubric will accompany tasks to provide clear directions for student completion. |                     |                 |            |
| 10/1/19 | A day-time tutor will be hired to support students who below grade level proficiency with Title 1 funds.  | Complete 03/20/2020 | Carole Hilbert  | 02/13/2020 |

| Notes:   | Title 1 money has been set aside to hire a tutor to support our 3-5 grade students. Tutoring will begin in February and run through May.  Tutoring ended March 26 when schools were closed due to the COVID-19 pandemic.  |                     |                 |            |
|----------|---|---------------------|-----------------|------------|
| 9/24/19  | Teachers in grades 3-5 will work with a district coach three times this year to verify IRLA levels, explore differentiated support, and focus on reading growth.  | Complete 03/12/2020 | Rebecca Starnes | 03/12/2020 |
| Notes:   | Mrs. Lindsey Green, Learning Area 5 coach, will visit and work with the teachers at Southern on September 25, October 30, and March 11. The focus for the visits will be to verify IRLA levels, explore differentiated support, and focus on reading growth.  |                     |                 |            |
| 8/14/19  | Teachers will use units of study from CKLA, ARC, and Eureka math, aligned to state standards for instruction.   | Complete 03/20/2020 | Rebecca Starnes | 06/05/2020 |
| Notes:   | Teachers in grades K-2 are using instructional materials from Core Knowledge Language Arts and Eureka Math. Teachers in grades 3-5 are using materials from the American Reading Company and Eureka Math. Their lessons, units of study, and modules align with North Carolina state standards.  Lesson plans, walkthroughs, pacing guides, and assessments provide evidence for this action. |                     |                 |            |
| 10/1/19  | With the use of Title 1 funds, projectors in the classrooms will be replaced. The Title 1 and Technology departments have approved the purchase of new projectors to be installed by Technology.  | Complete 01/03/2020 | Sarah Chrisman  | 06/08/2020 |
| Notes:   | Projectors in the classrooms are seven to eight years old and dying out. Replacement of the devices is more cost effective and will provide us with years of use for instruction.   |                     |                 |            |
| 9/24/19  | Classroom teachers will share lesson plans with the EL and EC teachers. They will collaborate on instructional practices for their students.  | Complete 09/27/2019 | Carole Hilbert  | 06/10/2020 |
| Notes:   | Teachers send their lesson plans to the EC and EL teachers. They are meeting about specific students to ensure that the student's needs are being meet.   |                     |                 |            |
| 10/27/20 | Coaching visits for Eureka Math, ARC, and CKLA will be scheduled.   | Complete 09/09/2020 | Carol Hilbert   | 09/11/2020 |
|          |   |                     |                 |            |

| Notes:          | The district has allotted coaching visits for each of the mandated elementary curriculums. Jihan Breedlove will serve as the Eureka Math coach. She will support understanding and implementation of Eureka Math objectives in grades K-5 with six visits. Lindsey Greene will continue to serve as Southern's ARC coach with a total of four visits. Katie Daughtrey will also support staff as they continue to implement CKLA. She will have four coaching visits. |                     |             |            |

| 9/10/20 Teachers will host online meetings for the specific purpose of building relationships and supporting students' social, emotional learning. They will create interactive events for students to engage with their peers in a social setting.  Notes:  9/24/19 Teachers will be trained in areas of social/emotional learning to build the habits and dispositions of emotionally resilient educators. Resiliency will be the focus for the 2019-2020 staff training. Teachers will read journal articles and excerpts from the book, Onward by Elena Aguilar, view TED Talks, and engage in activities based on the four-part conceptual framework of resiliency. Staff at Southern will be supported by Cynthia Brown, SEL facilitator for the district.  Notes: The book, Onward, is being used to develop an understanding of resiliency and strategies for attaining a deeper capacity to grow as a more resilient educator.  This action was not fully implemented during the 2019-2020 school year due to several disruptions to our school, including the COVID-19 pandemic.  10/7/22 An attendance team will be created to monitior student attendance and address chronic absenteeism.  Notes: The team consists of the school social worker, the data manager, and homeroom teachers. When a school social worker is hired, he or she will be added to the team.  10/7/22 The school's social worker will make home visits to students who are absent five consecutive days without contact with the school. A record of home visits will be kept on file.  Notes: | Notes:  | Teachers will engage students in "getting to know you activities" to build a classroom community. Teachers will eat with their students, sitting with and interviewing each student over the course of the first month to get to know each individual. Outside classroom doors a greeting poster will be placed for students to select their prefered method of greeting, a hug, high five, or wiggle dance. Teachers will continue throughout the year to provide opportunities for students to interact with each other in noncompetitive, collegiate activities. Teachers will attend school functions to show support of the our students. They will attend outside events for students such as sporting events, recitals at least twice during the semester. |                     |                |            |

| KEY                            | E1.06   | The school regularly communicates with parents/guardians about its expectations of them and the importance of the curriculum of the home (what parents can do at home to support their children's learning).(5182)   | Implementation<br>Status          | Assigned To      | Target Date |
| Initial Assess                 | ment:   | The school has a variety of methods of communicating all school aspects to parents and community members, including weekly grade-level/classroom newsletters, weekly ConnectEd messages, and daily Class Dojo updates. Teachers are required to return phone calls or emails within 24 business hours to parents. Several academic nights are being scheduled to invite parents to come to school to learn more about how they can help their children at home. The annual Title 1 meeting has been scheduled for September and will be offered two times during the day to allow parents access to this information. Parent conferences will be held regularly as needed and are expected for all students in quarters 1 and 3. | Limited Development<br>08/09/2016 |                  |             |

| Notes:   | The first event will be held on September 26 in conjunction with our Title 1 meeting. In celebration of Hispanic Heritage month, we will host an evening event to highlight the traditions and culture of our Hispanic families. On October 11, families are invited to come out for a movie night. The PTA is paying for rights to show the movie, Coco. Families will bring a dinner picnic and PTA will provide popcorn. A spring family event has been scheduled for April 24 at Southwest Park.  Due to the COVID-19 restrictions, the last family event was canceled. Schools in North Carolina were closed on March 20 for students and did not reopen. Family engagement activities will resume when bans are lifted for the assembly of large groups. Southern Elementary is committed to hosting at least two family engagement activities during the second semester of school during the 2020-2021 school year. |                     |                |            |
