

GCS Summer Learning Program 2022

Your student is invited to participate in the GCS Summer Learning Program at Ragsdale, a free academic summer camp through Guilford County Schools. This invitation to Fifth Quarter/Credit Recovery is for students failing or have failed in core subjects.

This is a chance for students who are failing a core content course or had a previous failing grade to improve to a passing grade. One session will be offered, five weeks long and will be dedicated to those specific courses for rising 10-12 graders.

What are my next steps?

Complete the [form here](#). The registration deadline is May 24.

Summer Learning Details:

Dates: June 14th- July 21st (Rising 10th-12th graders)

- Graduating seniors should complete requirements before August 5 to graduate with their 2022 cohort.
