If you have questions about the exams listed below, please contact your teacher directly.

- Students who arrive after exams have started will need to reschedule their exam with the teacher to take on the exam make-up day.
- CTE: Depending on student performance on some CTE performance-based measures, students may be required to take a teacher-made exam. Students will hear from their teacher if a teacher made final exam is necessary.
- All CTE and EOC exams are 20% of a student's final grade. If a student does not take the exam, they will be given a 0. The exam grade can help or hurt a student's grade.
