

Welcome back Wiley Families!

I would like to take this opportunity to introduce myself, my name is LaVerta McMillan-Flowers and I am excited to be at Wiley for my second year.

I have worked as a School Counselor for 9 years. I have worked for Alamance-Burlington School System and Guilford County Schools as a school counselor. I have taught second grade for 3 years for Lenoir County Schools and worked in mental health for more than 10 years.

The school year will begin as remote learning. Upon returning to school, the students will be required to wear a face mask.

As a School Counselor, my primary responsibility is to promote the academic, personal/social/emotional, and career development of all students. I look forward to offering support to the students, staff, families and the community. The support can be in the form of individual counseling sessions and in small groups, conducting classroom guidance lessons, meeting with parents, collaborating with teachers and staff, and consulting with community organizations/stakeholder to benefit and meet the needs of all Wiley students and families.

Any student can request to meet with me. You as the parent can request a meeting as well. Also, the students can be referred by a teacher or administrator. I encourage you to reach out if you have concerns regarding your child. If you would like for me to meet with your child please do not hesitate to contact me.

I am here to help students achieve their personal/social/emotional, career, and academic goals, as well as provide support for the parents and teachers. I can be reached by email at mcmilll2@gcsnc.com or by phone at (336) 370-8295

Warmest Regards,

LaVerta McMillan-Flowers
