	KEY	C3.04	The LEA/School has established a system of procedures and protocols for recruiting, evaluating, rewarding, and replacing staff.(5168)	Implementation Status	Assigned To	Target Date
Initial Assessment:			<p>It is the policy of the Guilford County Board of Education that a continuous system of recruitment and selection of personnel be maintained in order to assure competent candidates for vacancies as needed. The district attaches a high priority to securing the most competent personnel available and, once they are employed, in assisting them in their professional growth and development throughout their careers. The district regards a personnel evaluation plan as a critical and essential part of professional growth. The Board acknowledges that the most important aspect of attaining excellence in education is the quality of the teaching staff and the administrative staff. The Board therefore adopts as policy and states its determination to strive for such excellence, and further declares its intent to employ and reemploy only those teachers and administrators who possess, have exhibited, and continue to strive for excellence in their preparation for, performance of, and contribution toward the educational process. Achievement of a proficient rating on the North Carolina Teacher or Administrator summative evaluation is the minimum acceptable standard of performance for teachers and administrators in this school system. However, proficient performance shall not constitute any assurance to any teacher or administrator of rights to or consideration for employment or reemployment. The Board of Education holds all personnel accountable for striving for a summative rating of distinguished on all performance.</p> <p>11/19/2018 Teachers are recognized by colleagues and acknowledged in staff meetings.</p> <p>There are no actions set for this objective for the 2024-25 school year.</p>	Limited Development 08/01/2016

How it will look when fully met:	Rules and procedures will be established and posted in all classrooms. Explicit instruction and reinforcement will be provided for understanding in following the rules and procedures. Positive and proactive teaching is preferable to correcting students after-the-fact. Consistency in schoolwide PBIS expectations will be the norm in our school. (Though we have evidence of having met this objective in school year 2019-2020, we have reopened it and adjusted our target date to reflect the new conditions for learning during COVID-19.) Frazier will become a Restorative Practices school. Full implementation will take 4 years to complete.			Kristie Johnson	06/12/2026
