

Meet Your *Principal*

Born and raised in the vibrant small town of Muncie, Indiana, I quickly learned the values of grit, hard work, and perseverance through my passion for sports and academics. As a true student-athlete, I thrived in competition, becoming a 3-time state of Indiana Track and Field Champion and a state record holder in high school.

My journey led me to Chapel Hill, North Carolina, where I proudly wore the Carolina blue as a student-athlete at the University of North Carolina. While pursuing a degree in Elementary Education, I achieved the remarkable feat of becoming a 4-time NCAA Track and Field All-American and left my mark as a UNC school record holder. Go Heels!

After graduation, I made Greensboro my home and embraced a dual path of education and athletics. As I tutored and substituted within the Guilford County Schools, I simultaneously trained for the 2012 Olympic Trials. Although I fell short of making the Olympic team, I did have the honor of representing the United States on the 2012 World Indoor Track and Field Team—a proud accomplishment in my athletic career.

Jumping headfirst into the world of education, I leaned on the core traits developed through my athletic pursuits to empower my students. Witnessing them exceed their academic growth became my passion. Along my journey, I earned two master's degrees in Reading Education and School Administration, which further equipped me for my roles as an Instructional Coach and Assistant Principal. In that capacity, I continued to inspire both students and staff to reach their full potential; helping to exceed expected academic growth.

As Proud Principal of Union Hill Elementary, I wholeheartedly commit to fostering an environment where grit, hard work, and perseverance reign, ensuring that every student can not only exceed growth but also thrive academically, socially, and emotionally.

On a personal note, I enjoy spending time with family and friends. I currently reside in Guilford County with my husband, three children, and dog.
