Parent Support: Live Canvas Help

Every Tuesday & Thursday, 2020-2021
6:00 – 8:00 p.m.

Are you having a hard time navigating Canvas? Guilford County Schools (GCS) uses Canvas, the web-based educational system for managing online course learning, materials and academic instruction. GCS' Guilford Parent Academy collaborates with Blended Learning and GCS' teachers to offer virtual live help on the Canvas platform. Parents will have the opportunity to receive live help and support to strengthen their skills on Canvas. Parents can also share any questions or concerns related to Canvas such as navigating Canvas, submitting assignments or finding grades.
