

# How to Log in on the Canvas App (iPad) as a Student

1. Tap Canvas app.

2. Tap Find My School.

3. Start typing in Guilford County Schools. When choices come up, tap on **Guilford County Schools – Students/Teachers**.

4. You will be taken to the NCEdCloud login screen.

5. Type in your username (**your PowerSchool ID number**), and tap Go.

6. Type in your password (**Check with your teacher.**). Passwords are case-sensitive. Tap Go.

7. You will be logged in to your Canvas account. Your Canvas courses will show on the left side.

The first time you login, you will be asked about Notifications. They can be changed under Settings if you choose to do so later.

The NCEdCloud IAM Login screen. At the top, it says "NCEdCloud IAM" in a blue and red font. Below that is "Login" and a warning "Do NOT bookmark this page." There is a dropdown menu currently set to "NCEdCloud". Below the dropdown is a text input field for "Username". There are four buttons: "Go" with a right arrow, "Scan Student QR Code" with a right arrow, "Claim My Account", and "Password Reset". At the bottom, there is a "Need Help?" button. Below the buttons, it says "Don't have an account yet? Claim your account." At the very bottom, it says "Powered by: IDENTITY AUTOMATION" with a red logo.
