Please use this QR code to enroll in the summer Canvas course (you will be using this same course in the fall):

Summer assignment:

You are to write a 1-page essay following the below requirements and prompts. This essay will be turned in within the first week of school in August once students have Canvas access.

Prompt:

Write an essay about the importance of English and language arts skills in the STEM field. Why is English important in STEM? In other words, how are reading and writing skills essential to success in the STEM field?

Requirements:

- Typed, 12pt font, double-spaced, Times New Roman font
- At least one full page, no more than 3 pages
- Clear introduction, body paragraph(s), and conclusion
- Central claim is clear and backed with evidence such as personal experience or outside sources (***note: outside sources are NOT required, but you can add them if you'd like! If you choose to include outside sources, please cite them to the best of your ability.**)

If you have any questions, please feel free to email me! I look forward to meeting you! This essay serves the purpose of allowing me to get a feel for your writing and grammar skills so that I can make sure you get what you need.
