Grades 📈

Homework	Classwork	Assessments
20%	40%	40%

Class progress reports will be sent home frequently. Parents and students are strongly encouraged to check the Student/Parent Portal on a weekly basis to view the most current grades for EVERY class.

Assignments

*ALL assignments be completed to a level of proficiency (**70% or higher**) and turned in on time. If an assignment is turned in but not a 70% or higher, you will receive a conference to discuss any issues.

* LATE HOMEWORK is not accepted without an **excused absence.** Homework is due once a week. If it is late, I will contact your parent/guardian and you will be required to stay after school to complete the assignment.

* Internet issues are not an excuse for late work. Physical work will be available for those with unstable internet/technology access.

Absentee Policy

YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT!

* Check Canvas, the teacher webpage, or contact the teacher for missed assignments. If you were absent for a **QUIZ**, it must be made up on the first day you return.

* If work was due on the day of the absence, the work is due on the **first day** you return.

* If there is **an excused absence** (validated with a signed note), you have **three days to make up** the assignment without penalty.

* When assignments are locked, they will not be unlocked. Use your time wisely.

Technology

Please bring your charged laptop to class daily in order to utilize approved applications for educational purposes only. **No cell phones!**

Homework

Complete and turn in homework on time. You will have access to assignment updates through Canvas as well as the teacher webpage. I will also send announcement through Remind about what the homework assignments are, so there are several ways to find out what is due.

Plagiarism/Cheating ⊗

Plagiarism is the taking ideas and writings of another and passing them off as one's own. In this class, plagiarism includes:

1. turning in another's work as one's own
2. copying work from a friend before class (or while in another class)
3. including a source but failing to cite it (projects)
4. copying an author's exact words and passing them off as one's own (projects)

Students caught plagiarizing or cheating will be given a ZERO for the assignment and have their parent contacted with no opportunity to redo the assignment.

I,_____,have read and understand the procedures and expectations for Ms. Bethea's Math 2 class. I acknowledge that **it is my responsibility to contact my teacher if I have any questions or concerns**. I know that this syllabus, assignments, calendars, and resources are available to me on Canvas and the teacher website at any time. I know that all assignments will be available digitally. I also know and understand that printer/computer/flash drive issues are not an excuse for late work.
