MISSION, ENROLLMENT, CONTRACT, CODES, AND ORGANIZATION

SECTION A--MISSION AND OBJECTIVES

- 1.1. AFJROTC Mission. Develop Citizens of Character Dedicated to Serving Their Nation and Community. NC-021 will also: Develop informed citizens; stimulate interest in aerospace careers; strengthen character and self discipline; encourage completion of high school and pursuit of higher education and vocational goals; promote understanding of the role of the citizen soldier in a democratic society; teach aerospace science; teach leadership skills, promote community service; and teach social values and life skills.
- 1.2. Objectives. Cadets should:
 - 1.2.1. Understand the need for national security, authority, and military in a democracy.
 - 1.2.2. Develop patriotism.
 - 1.2.3. Develop habits of order and discipline using the military training model.
 - 1.2.4. Develop strong morals, self-reliance, self-esteem, leadership, and communication skills.
 - 1.2.5. Be familiar with the aerospace age, doctrine, and career opportunities.
 - 1.2.6. Be familiar with military customs, courtesies, and traditions.
 - 1.2.7. Graduate from high school and pursue higher education or vocational goals.
 - 1.2.8. Develop social skills and values and adhere to the Cadet Code of Conduct and Honor Code.
 - 1.2.9. Participate in community service activities.
 - 1.2.10. Follow the rules of parents, school administrators, teachers, and community officials.

SECTION B--ENROLLMENT AND DISENROLLMENT

- 1.3. Enrollment. Cadets must be a full time student in good standing, be of good moral character, and be able to participate in AFJROTC training.

THERE IS NO MILITARY SERVICE OBLIGATION FOR AFJROTC ENROLLMENT. For AFJROTC courses with student enrollment limits and quality standards, SASI will establish, with concurrence of the Principal, enrollment standards.

- 1.3.1. Disenrollment. Students in the AFJROTC program are expected to be good High School students/citizens and abide by all school rules and AFJROTC class requirements. AFJROTCI 36-2010 states that cadets may be disenrolled for failure to maintain acceptable standards (including uniform wear and grooming), inaptitude or indifference to training, disciplinary reasons, failure to remain enrolled in school or any other reason deemed appropriate by the principal and SASI. The SASI can, with the concurrence of the Principal, disenroll with no course credit a cadet who does not:

- 1.3.2. Pass an aerospace science course. Continued enrollment will be on a space available basis when approved by the SASI, with no certification of completion credit for military training for failed AFJROTC courses.
- 1.3.3. Failure to wear uniform more than once in a grading period or maintain personal appearance and uniform standards after many attempts to correct the deficiencies by the SASI, ASI, or senior cadets. Any (unexcused) failure to wear the uniform on the assigned weekly day or the next day in case of absence will result in a "0" grade for uniform inspection and more than one (unexcused) missed uniform wears in a grading period will result in an automatic grading period course failure at the very least.
- 1.3.4. Abide by Dudley High School student rules of behavior. History of suspensions, referrals, and any expulsion are reasons for dis-enrollment.
- 1.3.5. Enroll as a full time student at Dudley High School.
- 1.3.6. Follow classroom rules, maintain a positive attitude towards training, comply with classroom procedures, and remain in control and disrupts the class frequently.
- 1.3.7. Abide by the Cadet Code of Conduct, Honor Code, or Code of Ethics.
- 1.3.8. Reenrollment: The NC-021 SASI's policy is that students who receive more than two discipline referrals in a semester, are reverted to the previous cadet rank and considered for non-continuation in the program.
Cadets who fail to wear their uniform more than 3 times in a semester will not be recommended for reenrollment in future AFJROTC courses since they distract the morale and discipline of the unit, do not meet the positive good citizenship image that AFJROTC is trying present on the campus and would not have credibility as an upper classman with the lower level cadets. The SASI will make the recommendation and gain approval by the principal. Reenrollment will require a written request to instructor and principal.

SECTION C--CONTRACT, CODES OF CONDUCT, HONOR, AND ETHICS

- 1.4. Cadet Contract. All cadets will complete annually or upon enrollment the cadet contract (Memorandum of Understanding) which will be filed with all consent forms in the AFJROTC office.
- 1.5. Cadet Honor Code and Air Force Core Values. These codes are closely related and supplement each other. They belong to the cadets and guide them as they strive to become productive citizens in a society with demanding and often conflicting standards and questionable role models. Cadets should instill these values in themselves and their fellow cadets to the best of their ability at all times.
 - 1.5.1. Cadet Honor Code. "We will not Lie, Cheat, or Steal nor Tolerate Among us anyone who does." These simple words are the basis for a code to live by that will last the remainder of a cadet's life. These are simple but tough rules to live by as reflected in the troubling and alarming number of students who freely admit they cheat in school. However, these words are specific and clear in their demands and are still relevant in our society. A cadet should be HONEST in both words and deeds. Cadets should not make quibbling and evasive statements, should do their own work, and assist others in a sense of cooperation to meet Corps goals. Trustworthiness, not just in battle but throughout life, is not only noble but also necessary for the welfare and continued existence of our civilized society. The code requires self-control and a conscious effort to not take the easy road to short term success, but to take the road that requires hard work for long term success. Eventually living by the code will become an ingrained habit and a part of the cadet's total lifestyle. The Honor Code stresses that lying, cheating, or stealing is not tolerated and that HONOR is a noble, moral standard that is the essence of not only the Corps but our civilized society.
 - 1.5.2. Air Force Core Values. The core values are a statement of those institutional values and principles of conduct that provide the moral framework for military activities. The professional Air Force ethic consists of three fundamental and enduring values of integrity first, service before self, and excellence in all we do.

SECTION D--ORGANIZATION

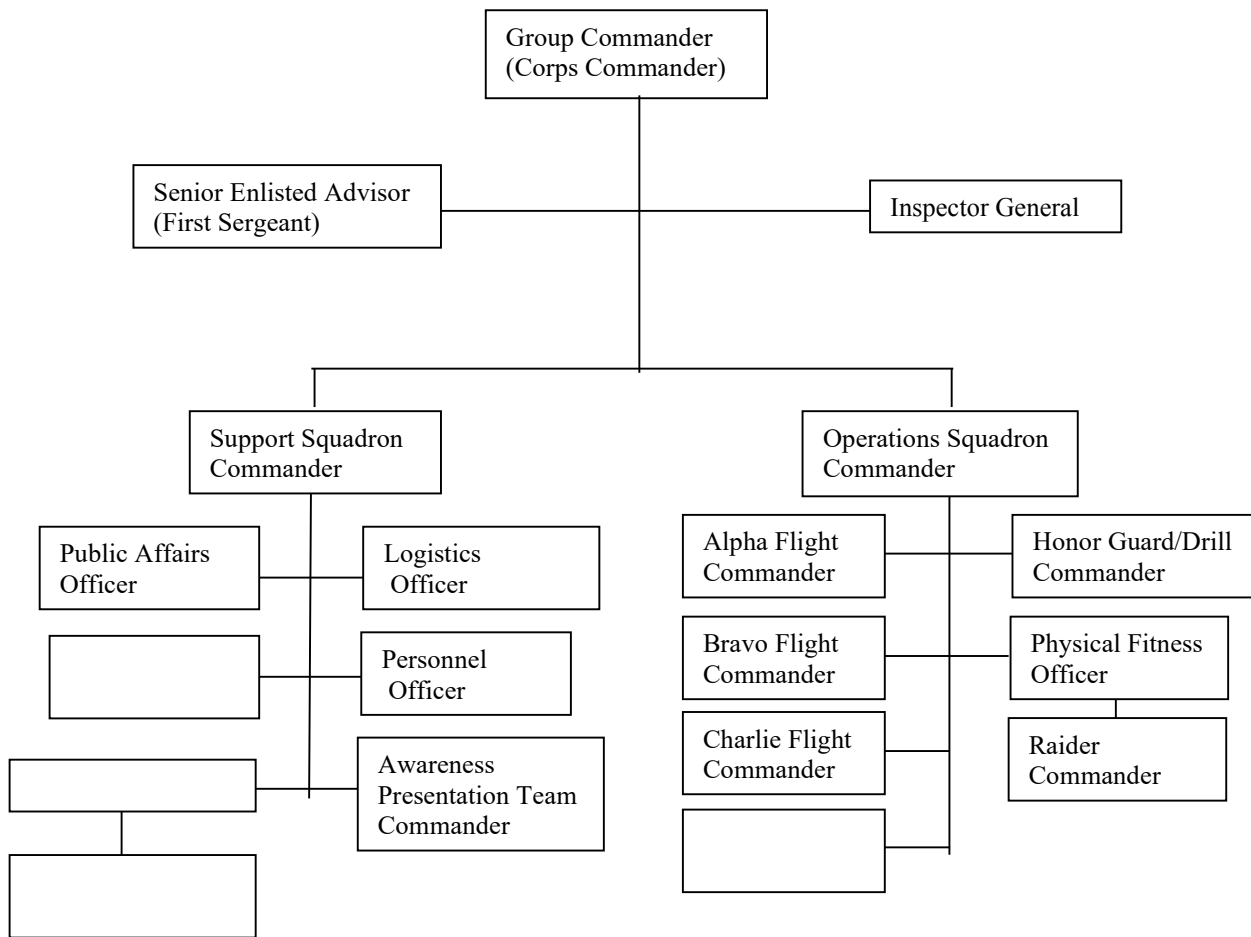

- 1.6. Organization. The AFJROTC NC-021 Cadet Corps is organized as a Cadet Group as shown in Figure 1.2.
- 1.7. Job Descriptions. Job descriptions for the cadet corps staff positions are in Figure 1.3. Like the Air Force, job responsibilities and duties will increase with promotion. Cadets earn their job assignments and are entrusted to carry out their job duties, to include supervisory responsibilities, to the best of their ability.
- 1.8. Chain of Command. Each cadet will know the chain of command and the names of the people assigned to the positions contained in Figure 1.5. The Chain of Command defines lines of authority and communication. Cadets should use the chain for cadet business such as questions on uniforms, customs and courtesies, drill, cadet evaluations and promotions, cadet awards, extracurricular activities, and class rules and procedures. A PERSONAL MATTER, INAPPROPRIATE CONDUCT BY ANY CADET, OR QUESTIONS ON ACADEMICS SHOULD BE ADDRESSED DIRECTLY AND IMMEDIATELY TO ONE OF THE AFJROTC INSTRUCTORS.

Corps Motto. The Corps Motto **“BE LEGENDARY”** reflects the cadets' commitment to AFJROTC.

Cadet NCO Positions

Cadet Officers may nominate enlisted cadets to serve as their positional NCOs, for example Logistics NCO. They must submit their nomination for an NCO in writing to the Corps Commander for approval. In selection of their NCO they should avoid the appearance of favoritism such as selection of family members, boyfriend/girlfriend, etc. They may inquire as to the level of interest a cadet has in filling a position but will not notify the individual until approved by the Cadet Corps Commander. The foremost selection criteria should be in the identification of cadets that have the capability and desire to accomplish the duties required and cadets that have the ability to develop into future leaders in the corps.

SHOULDER CORDS

All ropes are worn on the left shoulder of **Blues Only**, grounded to the shoulder seam with no metal tips, and no wider than 1-inch.

The Corps Commander will present shoulder cords to cadet officers after they have met the following criteria: provided an updated and accurate continuity binder approved by the IM Officer, attended two officer meetings, met other required initial positional duties required as determined by the Corps Commander. If a cadet officer fails to attend Cadet Officer Meetings (or alternative if they have an academic or personal conflict) or accomplish duties as described above the Corps Commander has an obligation to take back their rope and reassign a new cadet to that position.

The Cadet Honor Guard/Drill Commander will identify criteria to receive/wear the Honor Guard/Drill Team rope.

Commands Staff	Gold
Cadet Officers	Blue
Honor Guard/Drill Team	White

Cadets may only wear one rope even if they meet the requirements for more.

 - 2.12.1. Cadets will stand at their desk at parade rest with all personal belongings properly secured when the first bell stops ringing.
 - 2.12.2. After the second bell sounds, and upon command from the Flight Commander, the Flight Guidon Bearers will retrieve their Flight's guidon and post it. Note, they will return it to the guidon rack at the end of the class period.
 - 2.12.3. The Flight Sergeant will report to the Flight Commander who will instruct him or her to take roll. When the Flight Sergeant calls a cadet's name that cadet will come to Attention, and say "here sergeant!" and then immediately return to Parade Rest. Once roll is complete the Flight Sergeant will report back to the Flight Commander with completed roll. The Flight Commander will then call the flight to “ATTENTION” and report flight status to the Aerospace Science Instructor by saluting and stating “All PRESENT AND/OR ACCOUNTED FOR EXCEPT _____. FLIGHT _____ IS READY FOR INSTRUCTION, SIR or Ma’am”. The instructor will then take control of the flight.
 - 2.12.4. After attendance is completed, cadets with admission forms will raise their hands and bring them to the instructor when asked to come forward. Cadets must bring in an excused absence within three school days to be allowed to make up work.

- 2.12.5. Unexcused absences and excessive tardies will negatively affect Outstanding Flight competition and the cadet's course grade. Being on time and attending school are qualities that will ensure success in school and later in the job market. (See Tardy and Absence Policy at Figure 2-1)
- 2.12.6. When the bell rings or at the signal of the instructor, the Flight Commander will call the flight to "ATTENTION". Cadets will come to the position of ATTENTION at the left side of their desk and wait further instructions.
- 2.12.7. As the bell sounds, the Flight Commander will check that all trash is picked up and the desks are aligned. The Flight Commander will then "DISMISS" the flight. Cadets can then retrieve their personal belongings and depart the classroom in an orderly fashion.
- 2.12.8. To show respect to Superintendents, principals, and any (O-5 or above) military officers the cadet who first recognizes the visitor will in a confident, authoritative voice, call the class to ATTENTION. All cadets will come to the position of ATTENTION to the left of their desks, facing forward, and remain standing silently until directed to take their seats by the instructor. No action will be taken if other visitors come to the classroom, unless no instructor is present.
- 2.12.9. Cadets must request permission to go to the restroom or leave class once the bell rings. If given permission cadets will sign out the restroom log and take the hall pass. Cadets will sign back in upon return. The Flight Sergeant will sit near the door to ensure cadets sign in and out as required and open the locked door.
- 2.12.10. Cadets requesting entrance to AFJROTC SASI/ASI office area will knock once loudly on the door and await an instructor response. If there is no response, the cadet will wait a minimum of two minutes before knocking again once loudly. If an instructor voices permission to enter the office, the cadet will enter the office come to attention and state reason for requesting entrance to office area. As example, "Request permission to use snack bar", or "Request permission to speak to MSgt McPherson about uniform items".
- 2.12.11. The Flight Commanders are responsible for the conduct of their flight during the class period. All cadets will abide by Flight Commander instructions so long as the instructions are ethical, comply with the Honor Code and the Air Force Core Values and does not put any cadet in danger.
- 2.13. Grading Scale. NC-021 will use the Dudley grading criteria to determine grades. Normally, students will receive a uniform inspection grade, Physical Training grade and a grade relating to the block of instruction for the week. Progress reports will be accomplished halfway through the grading period, and parents/guardians will be notified by phone of any grade and/or behavior concerns. Cadets should review their grades in PowerSchool and immediately identify any discrepancies to their instructor. Cadets can request extra credit work, which will be weighted into the academics category.
- 2.13.1. Homework Policy. Cadets must accomplish and turn in all assigned homework on time to successfully complete an AFJROTC course. Late assignments will not be accepted and graded as ZERO. If cadets are absent on the day homework is due and have been excused in accordance with school policy, homework and exams are due in accordance with school policy with the exception of the uniform wear which is due on the day of return if a uniform day has been missed during the absence. It is the cadets' responsibility to make up any missed work. Only the instructor can make exceptions to the above policies.
- 2.14. Cadet Upcoming Activities & Announcements. All cadets will review weekly the cadet upcoming activities & announcements posted on the white board in the classroom. Failure to read and comply with any instructions will impact grades, promotion, and AFJROTC awards.

2.15. Classroom & Course Communication. In addition to the whiteboard, nstructors use Group text to all Flight Sgts to get time sensitive information to students. Parents can view all events on the DHS AFJROTC website. The unit Instagram page are also used to highlight cadet accomplishments/events.

Chapter 3

CADET ETIQUETTE

3.1. **Cadet Etiquette.** Proper etiquette is “the customary rules of conduct or behavior in polite society”. Our civilized society operates smoother and is more pleasant to live, go to school and work in when all members practice proper etiquette and good manners. The axiom, “Treat Others as You Want to Be Treated”, is a good one to live by and is the desired behavior of all cadets. Cadets should:

3.1.1. Say “Please” and “Thank You”.

3.1.2. Use “Yes Sir/Ma'am” when addressing AFJROTC instructors, senior cadets, military service members, school officials, teachers, and visitors **at all times**.

3.1.3. **Saluting.** Salute all military officers and cadet officers when in uniform and outdoors and not in a no-salute zone. It is optional when not in uniform.

3.1.4. Do not keep people waiting.

3.1.5. Do not gossip.

3.1.6. Use proper telephone etiquette.

3.1.7. Use “Mr, Ms, or Mrs” and last name when addressing civilians and “Military Grade” and last name when addressing military personnel

3.2. **Position of Honor.** This military courtesy began centuries ago when men fought with swords. Since men were primarily right handed, the heaviest fighting occurred on the right side. The left side became a defensive position since the shield was normally carried with left hand/arm. Thus, since units were proud of their fighting ability, the right side (sword bearing side) or right of the battle line became the position of honor, assumed by great warriors and leaders. Thus, a cadet should, while in uniform, walk or sit on the LEFT side of an AFJROTC instructor, military service member, or senior cadet officer who assumes the position of honor on the RIGHT.

3.3. Good Standing List (GSL)

a. This is a list of all cadets (including Reserves) eligible to participate in scheduled corps activities and will be maintained by the SASI. Cadets whose names are on this list (In Good Standing) will be allowed to go on field trips, participate in color guard events and community service projects, march in parades, earn promotions, and more. ALL CADETS begin each school year with their names on the list, which is a good thing. A point system will be used to maintain the Good Standing List. The flight commanders may make recommendations to the SASI for points awarded or removed from the GSL.

b. GSL – How it works. Adherence to rules and proper conduct are pillars in any leadership development program. NC-021 has always endeavored to recognize those who follow these important tenants. Conversely, those who do not meet standards should not expect to participate as fully, if at all, as those who do. Our policy will continue to be that only those cadets who are meeting the standards of the JROTC program will be allowed to participate in extra-curricular activities to include field trips and special events like the military ball, aircraft flights, and college and base visits. To be in good standing, cadets must meet the requirements specified below. Everyone starts their semester on the Good Standing List (GSL) and will remain on the list unless performance and/or behavior warrants removal. This list and eligibility for participation will remain in effect as long as the cadet is active in the program. **Good Standing List Status returns at the beginning of each academic year.** The SASI maintains this list for cadets and will provide individual status to cadets upon request. Once a cadet receives at least -10 GSL points, his/her name will be considered for removal from the GSL. Upon removal from the GSL the SASI will meet with

the cadet to inform them of their removal and discuss the opportunities to regain points and return to the GSL. It is the cadet's responsibility to earn points for reconsideration to be reinstated; less than -10 is grounds for reinstatement, although you should clear them all if possible. For a missed uniform wear the cadet will have 1 week (5 school days starting the 1st day back) to make it up. The SASI will be responsible for logging, tracking, and reporting the status on their cadets to the cadet designated by the corps group commander. Cadets not on the GSL will not be eligible for promotion, nor will they be able to accumulate promotion points and community service hours until back on the GSL. Cadets will also not be allowed to participate in co-curricular activities, special events, or be eligible for quarter, semester, end of year awards, or attend summer leadership camps. If (when) you have questions, be sure to use your chain of commander.

3.4 Merits/Demerits (Form 341s)

- a. Beginning Fall 2024 NC-021 will begin using Form 341s to track merits/demits for uniform infractions. Cadet officers will carry 341s and will identify and complete 341s on individuals according to the below guidance.
- b. 1st year cadets will be exempted until Week 3 of the semester.
- c. 341s may only be given on Dudley High School campuses during non-uniform inspection class time. i.e. Alpha Flight cadets entering the JROTC classroom during 2nd block will not be subject to 341s.
- d. When a Cadet Officer determines to issue a 341, they will **tactfully** notify the cadet so that corrections can be made, will complete the 341 and will place the completed 341 in the in-box for the Flight Sgt.
- e. 341s will only be given for uniform and saluting infractions. i.e. not saluting in uniform when passing a ranking cadet officer.
- f. The Flight Sgt will compile data from the 341s and report it the Ops Sq CC. Cadets will lose 5 pts on uniform inspect for each 341 and 341s will be utilized in flight standings.
- g. Positive 341s may be utilized in determining Cadet of the Month or other recognitions.

Chapter 4

PERSONNEL ACTIONS

SECTION A--CADET GRADES

- 4.1. Cadet Grade (Rank). All references to cadet grade will have the word "Cadet" as part of the cadet grade, i.e. Cadet Major Josh Smith or abbreviated as C/Maj Josh Smith. Grade is represented by standardized AFJROTC insignia (Figure 4.1) which is worn on the cadet uniform. Cadets should also know and recognize active military service grades.
- 4.1.1. Promotion: Promotion is based on the criteria set forth by the SASI/ASI/Group Commander/Senior Staff, provided satisfactory progress has been made. Retention of grade is also contingent upon satisfactory performance and behavior. See Section C for further information.

SECTION B—NO HAZING, PHYSICAL DISCIPLINE, AND SEXUAL HARASSMENT WILL BE TOLERATED

- 4.2. **Prohibition on Physical Discipline and Hazing.** Any form of hazing, whether verbal or physical, will not be tolerated within any AFJROTC unit or activity and is **STRICTLY PROHIBITED**. In addition, requiring cadets, individually or as a group, to perform any physical action as a reprimand, punishment, or for failure to perform will also not be tolerated. Cadets will not condone or encourage any type of hazing or initiation rituals. Any incidents will immediately be reported to the SASI or one of the principals.
- 4.2.1. Examples of prohibited physical disciplinary activities include, but are not limited to: push- ups, running laps, or any inappropriate physical contact such as shoving, pulling or grabbing.
- 4.2.2. Any form of verbal abuse, teasing, public rebuke or any attempt to otherwise humiliate a cadet is prohibited.
- 4.2.3. This prohibition is applicable to all AFJROTC unit activities, and includes instructors, cadets and any personnel involved with or participating in an AFJROTC unit or activity.
- 4.2.4. Unauthorized Clubs. No unit may encourage, facilitate, or otherwise condone secret societies or private clubs as part of the AFJROTC program.
- 4.2.5.1 Sexual Harassment: Sexual harassment of cadets by instructors or other cadets will not be tolerated and is **STRICTLY PROHIBITED**. The SASI and/or principal will deal harshly with any instructor or cadet who uses their leadership position, seniority, or rank/grade to engage in any sexual harassment. The SASI will brief all cadets on this policy. Any incidents will be reported to the SASI or one of the principals.

SECTION C--CADET PROMOTIONS AND CADET JOB ASSIGNMENTS

- 4.3. Promotions are a privilege, not a right. They are not a reward for past performance, but recognition that the cadet is prepared for increased responsibility. Areas considered in the promotion process are: attitude, performance, leadership potential, academic achievement, personal appearance and uniform wear, and community service. Accordingly, the SASI and ASI reserve the right to deny promotion to, or reduce in rank, a cadet who is disruptive in class, does not adhere to JROTC customs and courtesies, appropriate dress and appearance, exhibits poor military bearing or any other action prejudicial to good order within the cadet squadron, or who has been suspended from school.
- 4.4. Promotion and Job Assignment Selection Criteria:

- 4.4.1. Promotion Opportunities: There are various opportunities throughout the year to receive a JROTC promotion in rank. New cadets that successfully complete the New Cadet Orientation have the opportunity to test and receive the Cadet rank of Airman. Additionally, cadets that successfully complete a summer CLC as a “basic cadet” will be promoted to C/SSgt at a minimum. Further, if after completing a CLC they are appointed to a leadership position and meet the initial requirements to receive their rope, they will be promoted to C/2d Lt. If they fail to live up to the requirements of the leadership position they will revert back to C/SSgt.
- 4.4.2. Promotion Cycle: There are two (2) regular promotion cycles per semester, the dates will be identified at the beginning of the academic year. In order for cadets to be recommended for promotion, they must have had no referrals, be passing all academic classes, have at least a “C” average in AFJROTC and meet the criteria laid out below. Reserve cadets will normally not be eligible to promote during a regular promotion cycle but may promote for completing CLC, NCO, or be awarded a Promotion for Exceptional Performer. Prior to the promotion cycle suspense, the flight commanders will submit promotion forms identifying all enlisted members of their flight either in favor or against promotion and their reasoning. They will present this data to the Cadet Group Commander for verification whom in turn will provide to the SASI.
- 4.4.3. Promotion for Exceptional Performers (PEP): These are promotions above the rank the cadet presently holds and can only be awarded by the SASI/ASI. They are in recognition of superior performance or leadership, to provide an individual with the rank necessary to complete a specific job or task, or to correct an oversight or injustice within the promotion system. Further, it may be used by the SASI to promote an exceptional cadet to an officer rank in the event they are unable to attend CLC through no fault of their own. To be eligible, the cadet must have completed at least one year of AFJROTC, demonstrated a strong commitment to AFJROTC unit NC-021 and exemplifies the core values of Integrity, Service, and Excellence.
- 4.4.4. The ranks of MSgt through Lt Col require the passing of an interview. Twice each academic semester, the Cadet Corps Commander will convene a promotion board to interview candidates for cadet master sergeant, cadet senior master sergeant, cadet chief master sergeant and cadet officers. The board will consist of the Corps Group Commander and either the Operations Squadron Commander or Support Squadron Commander, plus a cadet officer to serve as recorder. The SASI and/or ASI will be present as well. Others may be invited to sit on the board as required. The SASI will approve board membership, date, and proceedings prior to convening. All cadets will be in the same uniform combo. To be eligible to meet the Board, each cadet must make known his/her desire for promotion to their Squadron Commander.

- 4.5. Demotions: In the event that a cadet fails to live up to the responsibilities of the acquired rank, to the Air Force Core Values, or in any way brings discredit to the Dudley High School AFJROTC program, the SASI reserves the right to demote them to a lesser rank or remove them from the program entirely.
- 4.6. Job Assignment Policies:
- 4.6.1. The SASI/ASI will select the Cadet Corps (Group) Commander and approve of the Squadron Commanders and other officer positions as nominated by the Corps Commander.
- 4.6.2. The Cadet Corps Commander/Group Commander and all other key staff members and commanders will serve in their positions for one semester following a change of command ceremony.
- 4.6.3. Cadets who have conduct issues or get referrals may be placed on probation. If the cadet fails to achieve minimum standards while on probation or gets another referral in the same semester, the SASI may take action to reduce the cadet in grade and/or removed from positions temporarily or permanently.
- 4.6.4. Cadets who transfer from another JROTC program will temporarily assume their grades they had earned in their last unit. The group will request their cadet records from the losing unit. Upon receipt of their cadet records, the group will evaluate the cadet's record and permanently award an appropriate rank and/or position and equivalent ribbons.
- 4.6.5. Cadet records are maintained in the AFJROTC computer files (Wings). If a cadet leaves the unit, they cannot handcarry their cadet record, but their gaining unit must request that their cadet record be sent to them upon the cadet's enrollment in their program.

SECTION F—AFJROTC COMPLETION BENEFITS

- 4.10 Certificates of Completion. Presented to cadets in good standing who have successfully completed at least three years of AFJROTC. SASI/ASI reviews the entire period of enrollment and determines if certificates are

to be issued since the SASI certifies to the armed services that the cadets have earned and deserve training credit. Cadets must have this certificate in their possession when enrolling in college ROTC or when enlisting in the armed services to receive following training credit:

- 4.10.1 Excused from one year of the General Military Course (GMC) of the college AFROTC program. Must contact the Professor of Aerospace Science (PAS) at the college or university where the cadet is enrolled to receive training credits.
- 4.10.2 Enlistment in pay grades E-2 or E-3 in the Army, Navy, Marine Corps, Coast Guard or Air Force with recommendations of the instructors and specific service allowances. Provides immediate substantial monetary benefit and accelerated promotion ahead of other enlistees who enter active duty at the same time.
- 4.10.3 Certificate of Training. Presented to senior cadets in good standing who successfully complete two years of AFJROTC. Like the Certificate of Completion, the SASI will review the cadet's entire enrollment to determine if a certificate of training is to be awarded. The cadets must have the certificate in their possession to receive the following training credits:
- 4.10.4 Eligibility. These certificates are very important documents and are not awarded automatically based solely on academic grades. Total performance and conduct is considered, and it is possible to successfully complete the AFJROTC courses but not be awarded a certificate. The SASI and the Principal, Dudley High School, will determine whether a certificate will be issued.
- 4.10.5 Cadets will have the opportunity to participate in various community service activities throughout the year to include for example color guard ceremonies, flag retirement ceremonies, and adopt-a-highway just to name a few. Community service hours are tracked and upon graduation a transcript of all community service hours can be provided to cadets upon request for use in college/job applications, scholarships or other activities as determined by the cadet.
- 4.10.6 Cadets that have at least three years equivalent AFJROTC participation and maintain an A average in all AFJROTC courses will receive an AFJROTC Cord that may be worn at graduation.

Chapter 5

UNIFORM & PERSONAL APPEARANCE

- 5.1 Uniforms will be worn in compliance with HQ AFJROTC Operational Supplement Chapter 7. AFI 36-2903 is the governing Air Force instruction for uniform wear and is the authoritative document for any Air Force uniform wear guidance not covered by HQ AFJROTC Operational Supplement Chapter 7.
- 5.1.1 The Air Force Service uniform (blues) will be issued to cadets free of charge and will be worn each Thursday for a grade. Cadets will wear the identified blues Combo as published weekly by the cadet leadership. Combo 1 - Blues w/tie & service coat. Combo 2 – Blues with tie. Combo 3 – Blues without tie. Note: If a long sleeve shirt is worn a tie must accompany it. Further, cadets may always wear a more formal combo. As example, if the Combo for the week is Combo 3 a cadet may choose to wear a tie or tie and service coat without penalty.
- 5.1.2 Airman Battle Uniforms (ABUs) are the official utility uniform of AFJROTC cadets and will be worn by cadets that have been issued them twice a month in place of blues. The date of ABU wears will be identified by the cadet leadership team at least one week prior. As with blues, this is a required uniform wear for a grade. Cadets that have not been issued ABUs will wear blues, Combo 3.
- 5.1.3 Cadets will receive a weekly grade for their uniform wear based upon an in-class inspection. Cadets must wear the uniform the entire school day (0925-1625) in order to receive credit. Exceptions are made for PE/sports or for classes in which there is a high probability of damage to the uniform such as art, Chemistry labs, or cooking. The intent is not that the cadet never wears the uniform to the class but that they change out of it during the particular class day in which a messy/damaging activity is taking place and change back into the uniform following the class. If a cadet is absent for a uniform wear they must wear the uniform on their next day back at school. On rare exceptions cadets may be excused from uniform wears for medical or personal reasons, or as a reward, as determined by the SASI or ASI, otherwise, failure to wear the uniform on a designated day or upon returning from absence will result in a 0. Uniforms will be inspected during class to determine the grade. If it is a uniform wear day and the cadet is anticipating an early release prior to AFJROTC class they may stop by the AFJROTC office prior to departure to be inspected and receive credit.
- 5.2 Cadets will dress out each Friday in their Physical Training (PT) attire. Time will be provided at the beginning and end of class to change. The PT uniform is comprised of a unit PT shirt and unit PT shorts issued at no cost to the cadet, personal athletic socks and shoes, and appropriate undergarments to protect the modesty of the individual performing athletic activities. Short, mid and full length solid black, white or dark blue form fitting sportswear (i.e. spandex, lycra or elastic) may be worn and visible under both the PT shirt and/or PT shorts. Cadets may wear the unit issued Air Force sweatshirt or unit purchased hoodie in lieu of the PT shirt. All grooming instructions as referenced in section 5.4 apply with the exception that females with long hair must have it secured but, it may have loose ends that extend below the collar; i.e., ponytails.
- 5.3 Alternate Unit Polo Uniform. Cadets in Reserves may wear an alternate uniform consisting of the blue unit polo shirt with slacks or jeans of a conservative color and with no holes, a belt, and dark socks. The polo should be tucked into the pants.

Chapter 6

AFJROTC NC-021 LDRs AND ACTIVITIES

There are several voluntary cadet extracurricular activities, which supplement aerospace or leadership experiences. These activities bring cadets together with common interests, build esprit de corps, are ways to create lasting friendships, and guarantee a good time to those who get involved. Involvement teaches responsibility, teamwork, and cooperation. It also is a positive, visible way to publicize to the community the values at work that we teach to our cadets. Although participation is encouraged it is not required to pass the course. However, the more you participate the more you will get out of JROTC and we attempt to have something for everyone! The SASI and/or ASI will monitor all activities and will serve as advisors. Additionally, active duty military and sponsors will help monitor and teach these activities.

6.1 Leadership Develop Requirement - HQ AFJROTC uses the term LDR (Leadership Development Requirement), for cadet led organized teams that are not simply one-time events or activities but continuing throughout a semester or academic year, therefore the term LDR is synonymous in most cases with AFJROTC co-curricular teams and clubs. The following description of NC-021 LDRs is not all-inclusive and will change depending on what activities the NC-021 cadets desire to participate and support in a given year.

6.1.1 Color Guard, Drill/Rifle/Sabre Teams.

Color Guard. This elite cadet corps presents and posts the US, North Carolina, and school colors at school, Corps, and community functions. This co-curricular activity provides an opportunity for cadets to learn to respect and properly present national and state flags. Color Guard Commander will be a senior cadet selected by the group who has normally been on the team in the past and serves on the cadet staff as a senior commander. Color Guard Commanders will write operating instructions describing color guard operation and membership, designate practice times, ensure equipment is maintained, and supervise Color Guard operations.

Drill/Rifle Team. Cadets who enjoy drill, "polish" their drill skills learned in the leadership laboratory and form a drill team that performs in local and area-wide drill competitions and demonstrations. Drill practice will normally be once a week immediately after school (Wednesday – or as determined by senior staff). If there is interest, a rifle team commander may be appointed. The commander will be responsible for leading and training cadets in rifle instruction and will identify cadets who want to refine their rifle handling skills and knowledge of manual of arms. The Rifle Team Commander will be appointed by the drill team commander to lead and train the team and may be the same individual selected to lead either Exhibition or Regulation Armed Teams. If there is interest, cadets may appoint a Sabre Team Commander who will be responsible for leading and training sabre instruction. Color Guard and Drill Team members will compete to participate in annual competitions to represent the Corps and Dudley High School.

6.1.2 STEM LDRs.

Rocketry. Members of this LDR will learn how to build and launch model rockets. Cadets who meet the AFJROTC qualifications are also eligible for a rocketry badge, which is worn with the uniform. Rocketry may be instituted as a part of the curriculum in which case all cadets would be responsible for academic portions. Those that complete the instructor established requirements and successful launches would also be eligible for the rocketry badge. If enacted cadets may elect a club leader with SASI/ASI approval.

Aviation Club. This club is organized around the enjoyment of aviation. It meets regularly to discuss topics in aviation and fly our flight simulator and/or multicopter. Note that depending upon cadet interest, UAS or Multicopter may be organized as a separate LDR.

Academic Bowl Team. This team will meet regularly in the fall to practice and compete in JLAB (JROTC Leadership & Academic Bowl) competition.

- 6.1.3 Raiders Team. This is among our newest LDRs. Raiders Teams compete regionally in physically demanding team competitions such as obstacle courses and Army JROTC Raider competitions that typically involve distance running, 1-rope bridges, various physical challenges and other tactical tasks such as knot tying, first aid, and land navigation. To be a Dudley Raider you must be willing to put in the effort to become physically fit and have team mindset.
- 6.1.4 Awareness Presentation Team. This worthwhile voluntary LDR consists of cadets that feel comfortable talking to elementary and middle school students about selected topics which could include drug education, study skills, and staying in school. Our involvement brings our Corps favorable publicity and is a valuable social service to the community. Cadets can earn an APT badge to wear on the uniform if they participate in three events.
- 6.2 Field Trips/CIAs (Curriculum-In-Action). This is an important part of the AFJROTC curriculum. We have the privilege of visiting several military installations with very active and diverse missions. Visits will occur throughout the year. Only cadets who are in good standing, are passing AFJROTC, and have not had a history of uniform or personal appearance violations. Cadets who are not on the GSL due to referrals, failure to wear uniform or other GSL violations will not be allowed to attend. The SASI/ASI will check cadet records for referrals and uniform wear and will determine eligibility for cadets.
- 6.3 Fund Raising Activities. NC-021 needs money to support many of the JROTC activities, field trips and community service projects. Various fund raising activities are done each school year to raise money. The extent that cadets and their sponsors support these activities will determine the level of funding the corps has to minimize costs for social and formal functions and to purchase items that will enhance corps operations and cadet esprit de corps. This is a running total maintained by the SASI that the cadet may choose to apply toward field trips and other designated events throughout the year. At the end of the school year any money remaining in the “cadet account” will go to the general purpose fund.
- 6.4 Dining In/Out (Military Ball). This is a formal Air Force traditional activity. Cadets will plan the function and will serve in traditional positions that direct the evening's festivities. This formal meal followed by traditional activities is a fun filled activity for all participants. If a joint ball is elected, then our Corps will have representatives attending the joint committee meetings.
- 6.5 Community Service. A major component of AFJROTC is community service. There will be many opportunities throughout the year to participate in AFJROTC organized community service events such as color guards, middle school visits, and adopt-a-highway. The events are tracked by AFJROTC and contribute to promotions and other awards. Additionally, cadets may choose to participate in community service events outside the scope of AFJROTC. If documentation is provided and approved by the SASI/ASI these activities may contribute to the annual service award and/or toward generating points for the return to the Good Standing List.
- 6.6 Cadet Leadership Camp (CLC). Each year a portion of our cadets are invited to participate in a summer Cadet Leadership Camp in the Blue Ridge Mountains that involves cadets from North Carolina, South Carolina and Tennessee. High standards of conduct, performance and physical capabilities must be met to attend. There is also a financial cost which may be met through fundraising activities. Cadets that attend and complete the CLC will have earned additional promotion opportunities.

Chapter 7

PHYSICAL FITNESS PROGRAM

7.1 Although AFJROTC does not have maximum/minimum cadet weight or physical fitness requirements, all cadets will participate in the AFJROTC Health and Wellness Program which comprises 20% of the course. Health care, nutrition, body image, and physical fitness are all covered in the AFJROTC curriculum. In the Wellness component, cadets will be given the opportunity to put into practice the wellness concepts that are taught in Leadership Education. It consists of an initial fitness assessment at the start of each semester to establish a baseline of an individual's fitness and another fitness assessment at the end of the semester to measure improvement. Physical Training will take place each Friday throughout the semester with the goal to show an improvement for each individual at the end of the semester. It's important to mention here that although cadets are given a percentile of how they place against other cadets across the country they are encouraged and rewarded for improving their own fitness regardless of their starting baseline or the performance of other cadets in the program. Physical Fitness Consent Forms need to be signed and returned to AFJROTC where they will be kept on file. Any changes to your health that could affect participation needs to be updated as soon as practical.

7.2 AFJROTC Fitness Assessment.

The AFJROTC Fitness Assessment is comprised of three events; right angle push-ups, sit-ups and a timed 1-mile run. Right angle push-ups – count of how many push-ups a cadet can accomplish within one minute. Push-ups are done in a standardized form for all male and female cadets with the back rigid/straight and the body lowered to a fists length from the ground with elbows at approximately a 90 degree angle and then return all the way up. The number of proper form push-ups accomplished in one minute is scored. Sit-ups – count of how many sit-ups a cadet can accomplish within one minute. Sit-ups are done in proper form with knees bent at approximately 90 degrees, arms crossed and hands placed on shoulders/chest. The cadet will maintain contact with shoulders/chest and rise to and touch elbows to their knees or thighs when in the up position. The number of proper form sit-ups accomplished in one minute is scored. Timed 1-mile run will generally consist of four laps around the track. The cadet may walk or run but may not leave the track during the timing or it will terminate the event.

7.3 Additional Fitness Requirements.

Some activities cadets participate in may require them to meet certain fitness standards for their own safety. A good example is summer Cadet Leadership Camp. We typically participate in a challenging summer camp located in the Blue Ridge Mountains in which the cadets must participate in daily PT, drill, and sports at a high elevation while navigating difficult terrain. For their own safety the camp provides fitness requirements prior to attending.

Chapter 8

RESERVE FLIGHT PROGRAM

- 8.1 SASI/ASI will determine whether or not to activate Reserve Flight based on cadet recommendations. If Reserve Flight is activated, procedures will be as follows:
- 8.2 The Dudley AFJROTC Reserve Program provides an opportunity for cadets who are enrolled in an AFJROTC course during one semester of an academic year, but not the other, to maintain full affiliation with AFJROTC throughout the year. Cadets in the reserve program may participate in all extracurricular activities of the AFJROTC program, including drill team, staff positions, field trips, dining-in, military ball, etc., as long as the requirements of this agreement are met.
- 8.3 UNDERSTANDING: It must be understood that participation in the AFJROTC Reserve Program does not commit or obligate any student to military service. Nor does participation guarantee special consideration if a student chooses to enter military service. **NO ACADEMIC OR MILITARY CREDIT WILL BE GIVEN FOR PARTICIPATION.** Cadets who have not missed any uniform days are eligible to participate in JROTC activities, drill teams, and field trips.
- 8.4 AGREEMENT: In order to maintain the high standards of courtesy, personal conduct, and appearance required by the Air Force and Dudley High School, as an AFJROTC cadet in the reserve program, you understand and agree to:
- a. Enroll in an AFJROTC course during one of the two semesters of the current academic year.
 - b. Wear the AFJROTC uniform on “uniform day” or other occasions as required by participation in the reserve program. Reserve cadets will wear the uniform of the week the entire day, on Wednesdays or other designated day each week that the regular class wears the uniform. Alternately, Reserve cadets may purchase and wear the NC-021 polo on Wednesdays instead the Uniform of the Day. Failure to wear the uniform or polo as required or deliberate improper wear of the uniform will result in removal from the reserve program and loss of all AFJROTC privileges.
 - c. Participate in afterschool drill practice at least once monthly. Note that Reserve cadets are encouraged to attend more than once a month, once a month is the minimum. Failure to wear uniform or polo weekly and attend drill practice once a month, will result in removal from the Reserves Program.
 - d. It is primarily the Reserve cadets’ responsibility to maintain contact with NC-021 instructors and cadet leadership to ensure informed of upcoming events. The Reserve cadet can do this by joining the Group Text attending drill practices, and interfacing with the IG page/DHS AFJROTC website.
 - e. Maintain the uniform in a clean, properly fitted and repaired manner. Turn in the complete uniform upon demand. Cadets are responsible for cost of cleaning, loss, theft or damage to the uniform.
 - f. Meet the personal grooming standards established by the Air Force.
 - g. Meet the standards of attitude, behavior and courtesy expected of AFJROTC cadets as described in the Cadet Handbook. Cadets who fail to meet acceptable standards or who are suspended from school for behavior problems risk losing cadet rank, position, and privileges and may be removed from the reserve program.
 - h. Meet the objectives of the cadet-managed group to: (1) Encourage a high degree of personal honor, self-reliance, and leadership. (2) Promote patriotism. (3) Develop habits of orderliness and precision. (4) Develop respect for constituted authority.
 - i. Respond positively to other cadets who have been appointed to leadership positions in the cadet group. Conduct yourself properly if/when you are placed in a position of leadership.

j. Strive to develop self-discipline and responsibility for personal actions.

k. Participate in community service projects in order to be eligible for promotions and to assist unit in meeting unit goals. Reserve Cadets will participate in at least one AFJROTC community service event during the Reserve semester with the goal to achieve a minimum of 15 hours of community service for the year. The goal for senior staff Officers and NCOs should be at least 25 hours of service per year.

8.5 Failure to live up to the requirements as stated above and in the Cadet Reserves Program contract will result in removal from the Reserves Program. If removed from the Cadet Reserves Program MSgt McPherson will determine uniform turn-in requirements. Further, removal from the Cadet Reserves Program will result in the loss of ability to attend AFJROTC fieldtrips and activities during the semester and may result in the loss of opportunity to participate in the Cadet Reserves Program during future semesters. However, unless the infraction is egregious, the removal from the Reserve Program will in no way impact the cadet's standing or ability to participate during the follow-on active status semesters.

Chapter 9

COMMUNICATION

9.1 Communication is vital to the successful operation of an AFJROTC unit. Remember that communication runs two-ways and that it takes effort on both parties for success. The systems and processes below provide the baseline of how we plan to communicate within NC-021.

9.1.1 E-mail: School email is an effective way for instructors and cadet leaders to get information out quickly,

particularly if there are attached files or for forwarding information on opportunities such as scholarship applications. E-mail however is only effective if cadets check it. Please check your email daily!

9.1.2 Instagram: Our Instagram page “pmhs_afjrotc” is similar to our Facebook page with the exception that anyone can follow it. It is primarily used for advertising within the community.

9.1.4 In-Person Communication: We can never get so reliant on technology that we forget to simply meet in person. By attending drill practices and/or stopping by the JROTC classroom now and then you will often pick up on information that may have not found its way onto the above mediums. Don’t be afraid to stop by and say hello!

9.2 Communication with instructors. Per HQ AFJROTC guidance, instructors are not allowed to text cadets. Therefore, please do not text MSgt McPherson. You may however, send e-mails or call if the situation warrants it but please do not call after hours unless it is an emergency or important to an ongoing JROTC activity. Further, if the issue is not of a personal nature and relates to routine JROTC business you are encouraged to utilize your cadet chain-of-command.

9.3 E-mail format. When drafting e-mail communication it is important to use proper formatting. The tips below will help you come across more confident and professional than you might otherwise.

9.3.1 Utilize the subject field to give the reader an idea of why you are corresponding. This helps them gauge immediacy of the correspondence and sort and find the email if necessary at a later date.

9.3.2 In the text, first identify whom you are addressing. i.e. MSgt McPherson, C/Moss...This is" "particularly important if you have multiple addresses on the email cc'd. 31"

9.3.3 Utilize proper grammar and watch the tone which can be misinterpreted in e-mail; learn to utilize tact when providing feedback or arguing your case.

9.3.4 Conclude with closing salutation (i.e. Best Regards, Very Respectfully, Thanks, or Much Appreciated) followed by your cadet rank and name. Always remember to precede your rank with C/ for cadet (example, C/LtCol oss)."

Foreword

Chapter 7 of this Operational Supplement (Ops Sup) describes how ***Air Force Junior ROTC (AFJROTC) and Space Force Junior ROTC (SFJROTC) cadets*** will wear the uniform and maintain Air Force grooming standards while in uniform. **Incorporating Change 3 to DAFI 36-2903, dated 3 December 2021**, describes how to properly wear the Air Force uniform and this Operations Supplement describes how AFJROTC and SFJROTC cadets will wear rank, ribbons, medals, and other accouterments. 7.3.1. AFJROTC Patch (white, Lamp of Knowledge) and SFJROTC Patch (black, Lamp of Knowledge). Wear of the AFJROTC and /SFJROTC official shoulder patch **is mandatory** on the left sleeve (shoulder) of all uniforms except the raincoat, overcoat, all-weather coat. White/Black Lamp

of Knowledge patch will be worn on the **ABUs front left pocket and on the left shoulder of OCPs/affix with Velcro**. Flight Suit – the white/black, Lamp of Knowledge patch (white/black circular AFJROTC and SFJROTC patches), will be worn on the right sleeve (shoulder); see para 7.3.3 if the unit has an approved Unit Patch. All flight suit patches will be displaced utilizing Velcro or may be sewn onto the flight suit. (See Attachment 7-13, Note 2). Cadets enrolled in Civil Air Patrol (CAP) and AFJROTC and SFJROTC who use the same uniform for both activities may wear the CAP wing patch on the right shoulder sleeve.

Flight Suit – if a unit patch is available, the Unit Patch may be worn on the right sleeve (shoulder) replacing the white/black Lamp of Knowledge patch. All flight suit patches will be displaced utilizing Velcro (or may be sewn onto the flight suit). Unit patches must be approved by HQ AFJROTC via the waiver's module in WINGS prior to purchase or use.

7.4. Shoulder Cords. Cadets are authorized to wear **one shoulder cord (double knot, single cord** “infantry” style shoulder cord. Cords will be worn on the left shoulder, grounded to the shoulder seam, **with no metal tips, and no wider than 1-inch (no aiguillettes or citation cords)**. Colors are locally-determined (does not have to be a solid color, may be multi-color), must be **conservative, in good taste**, and defined in the Cadet Guide or Unit Operations Instruction. **Shoulder cord may be worn on regular uniform days. See Chapter 8, Finance Guide, Ops Sup, for purchasing authority.**

7.4.1. Criteria for wear and shoulder cord colors will be described in the Cadet Guide or Unit Operating Instructions. On the **service dress coat**, the cord will be grounded to the left shoulder seam and pinned to the shoulder with the pin hidden beneath the cord. On the **blue shirt**, the cord will be under the epaulet, grounded to the left shoulder seam and pinned to the shoulder with the pin hidden beneath the cord. **See Chapter 8, Finance Guide, Ops Sup, for purchasing authority.**

If worn, cadets are authorized to wear **one shoulder tab on the right shoulder** of the service dress coat and the light blue shirt, centered between the unit patch and the shoulder seam. Tabs will have the name of the activity on them (e.g., drill team, saber team, honor guard, etc.). If no unit patch is worn, tab will be worn no lower than 1 inch below the shoulder seam. If a unit patch is worn, shoulder tab will be centered between the unit patch and the shoulder seam. The SASI will designate which activities will be denoted by shoulder tabs and set the criteria for each in the Cadet Guide or Unit Operating Instructions. **See Chapter 8, Finance Guide, Ops Sup, for purchasing authority.**

7.6. Awards and Decorations.

7.6.1. Awards and Decorations. The Cadet Awards and Decorations Program fosters morale, esprit-de-corps, and recognizes achievements of AFJROTC and SFJROTC cadets. Awards sponsored by national organizations are funded by the sponsoring organization and donated through local chapters where available. Only Awards and Decorations approved by Holm Center/JR and listed in this guide may be worn. **Units cannot purchase matching medals for HQ AFJROTC Approved Ribbons. (Example: Outstanding Cadet, Patriotic Flag, Bataan March, etc.,).** Only medals specifically designated within this Operational Supplement (para 7.6.3.2) and depicted on the AFJROTC and SFJROTC Ribbon Chart are approved.

7.6.1.1. Units **may not** create or purchase local awards (ribbons or medals) for wear on the uniform.

7.6.1.2. Ribbons **will not** be worn with medals. Medals may be worn with the service dress uniform for formal and semi-formal occasions of a limited nature (such as dining ins/outs, military ball, change of command ceremonies, awards ceremonies, picture days, or other formal events as specified by the SASI.) Medals may not be worn on regular uniform days. Place medals on the mounting rack in the proper order of precedence (see para 7.6.3.1).

7.6.1.3. Units are authorized to impose additional criteria (**more stringent**) to meet local standards and needs without diminishing minimum standards. Published in the **Unit Cadet Guide or Unit Operating Instructions**.

7.6.1.4. Present awards at appropriate ceremonies. Invite school officials, local civil authorities and parents when practical. Representatives from organizations sponsoring awards will be offered the opportunity to make the award presentation. Display awards, when possible, for the benefit of the cadet corps. The SASI will ensure that Air Force endorsement of any agency's product or service is neither stated nor implied.

7.6.2. Only awards and decorations authorized in this publication are authorized for presentation and wear on the cadet uniform.

7.6.2.1. An award is defined as either a ribbon, medal, certificate or scholarship.

7.6.2.2. Awards have been categorized into four categories

7.6.2.2.1. Authorized to present and wear (Paras 7.6.3.1, 7.6.3.2. and 7.6.3.3.)

7.6.2.2.2. Authorized to present and unauthorized to wear (Paras 7.6.3.5 and 7.6.3.6)

7.6.2.2.3. Unauthorized. Host organization may submit a package to present (Para 7.6.6.)

7.6.2.2. AFJROTC and SFJROTC units **may not purchase national-level awards, medals, using Air Force funds**. The national-level host organization/local chapter must provide the award.

7.6.2.3. Units may receive/present awards (only the ones on the AFJROTC and SFJROTC Ribbon Chart may be worn on the cadet uniform) from any national-level veterans' organization that is defined as a Congressionally chartered Veterans Service Organizations (VSO), recognized by the Department of Veteran Affairs; a complete list can be found at <https://www.va.gov/vso/VSO-Directory.pdf> See the current listing of VSOs below.

CADET APPEARANCE AND GROOMING GUIDELINES

7.9. (Change) Personal Grooming Standards. This chapter outlines personal grooming while wearing any Air Force uniform. SASI's discretion may be used to determine if individual's personal grooming is within standards of this instruction. The personal grooming standards listed are minimum standards that represent common appearance issues and are not all-inclusive. Although Cadets have the right, within established limits, to express their individuality through their appearance, the Air Force has defined what is and what is not an acceptable, professional military image for Cadets. Except for minor variations based on gender differences, all Air Force Junior ROTC cadets must comply with the same personal grooming standards. SASIs/ASIs have the responsibility to determine compliance with this instruction and to correct the obvious violations regardless of whether the situation identified is clearly written in this instruction. SASIs do not have authority to waive grooming and appearance standards except as identified in this instruction.

7.9.1. (Change) Hair-male and female. Will be clean, well-groomed, present a professional appearance, allow proper wear of headgear. Will *not* contain excessive amounts of grooming aids (e.g., gel, mousse, pomade, or moisturizer), appear lopsided, touch either eyebrow (**Exception:** female bangs), or end below an imaginary line across the forehead at the top of the eyebrows that is parallel to the ground. If applied, dyes, tints, bleaches and frostings must result in natural hair colors. **Examples of natural hair colors are brown, blonde, brunette, natural red or black. All Cadets are authorized to wear natural color hair regardless of their natural born hair color, but when combined or frosted, the colors must blend together so as to not present an unnatural appearance between colors. For example, hair colors may be displayed as a "salt-and-pepper" look as this presents a naturally-blended hair color and is, therefore, authorized. In contrast, ombre (blending of one color to another with dyes, tints, bleaches and frostings) or black hair with blonde highlights and/or streaks and blonde hair with black highlights and/or streaks do not present a natural appearance as they display vastly different shades of natural hair colors and are, therefore, unauthorized for wear. Prohibited hair color examples (not all inclusive) are burgundy, purple, orange, fluorescent or neon colors.** SASIs may temporarily authorize cancer patients to wear approved caps (black or tan) due to a temporary medical condition (i.e., radiation and/or chemotherapy).

7.9.1.1. (Change) Wigs/Hairpieces/Extensions. Are authorized and will meet the same standard required for natural hair, be of good quality, fit properly, and comply with safety, functionality and professionalism. (**Note:** Extensions are still prohibited for males). Wigs/Hairpieces/Extensions will *not* be used to cover unauthorized hair styles.

7.9.1.2. (Change) Hair-Nets. Worn as required for health or safety reasons. Made of natural or a synthetic material; must be conservative (plain and moderate, being within reasonable limits; not excessive or extreme), solid color similar to the member's hair color, also strong enough to support and control hair and contain no metal fasteners. Hair-nets are only authorized when performing related duties as determined by applicable SASI.

7.9.2. Jewelry. While in uniform will be plain and conservative (moderate, being within reasonable limits; not excessive or extreme) as determined by the SASI.

7.9.3. (Change) Rings. Airmen may wear a total of no more than three rings; wedding sets count as one ring when worn as a set. Rings will be worn at the base of the finger, and may be worn on the thumb.

7.9.4. Necklaces. Will not be visible at any time. If worn, will be concealed under a collar or undershirt.

7.9.5. Bracelets. Ankle bracelets are not authorized. Cadets may wear one bracelet around their wrist. If worn, the bracelet will be conservative (moderate, being within reasonable limits; not excessive or extreme) in design, no wider than ½ inch, gold or silver in color, and will not have any

inappropriate pictures or writing. Medical alert/identification bracelets are authorized. If worn, medical alert/identification bracelets will be conservative and moderate. Bracelets will not be excessive or extreme, which is defined as plain, not drawing inappropriate attention. Gemstones/tennis bracelets may only be worn with the mess dress uniform. Bracelets espousing support for cause, philosophy, individual or group are not authorized (Exception: Traditional metal POW/MIA/KIA bracelets, which come in colors besides silver, bronze, or gold, remain authorized). No rubber or fabric type bracelets are allowed.

7.9.6. Eyeglasses/Sunglasses. Will be worn in the manner for which they are made. Eyeglasses and sunglasses will not be worn around the neck or on top/back of head or exposed hanging on the uniform. Eyeglasses and sunglasses may have conservative ornamentation on non-prescription sunglasses or eyeglasses, frames may be black or brown material or gold or silver wire. Brand name glasses may be worn with small logo on frames or lenses. Logo may contrast with frame color or lenses (conservative colors/small logos; black, brown, matte silver/gold). Conservative wrap-around sunglasses may be worn. Conservative, clear, slightly tinted, mirrored or photosensitive lenses are authorized. Sunglasses (to include darkened photosensitive lenses) are not authorized in formation. Exception: Sunglasses are not authorized in formation, unless for medical reasons, e.g., PRK/Lasik surgery and when authorized by a SASI or commandant on the advice of a medical official.\\]

7.9.7. Tattoos or Brands. Whether you are in or out of uniform, tattoos or brands anywhere on the body are not allowed if they are obscene or if they advocate sexual, racial, ethnic, or religious discrimination. Tattoos or brands that might harm good order and discipline or bring discredit upon the Air Force are also barred, whether you are in or out of uniform. The SASI may exercise discretion if a new cadet arrives with a tattoo that may not be in full compliance with the above guidance.

7.9.8. Body Piercing. Cadets in uniform are not allowed to attach or display objects, articles, jewelry, or ornamentation to or through the ear, nose, tongue, or any exposed body part (including anything that might be visible through the uniform). Cadets may not cover any of these articles with make-up, band aids, or wearing clear post pins to hide body piercings.

Exception: Headphones and earphones (iPods, MP3-type players, etc.) are authorized during travel on public transportation i.e., bus, train or air travel.

If hair is pulled back and secured behind the head, radius will not exceed 6 inches from the point where the hair is gathered (i.e., no more than 6 inches to the left and 6 inches to the right, 12 inches total width; and 6 inches protruding from where hair is gathered) and must allow for proper wear of headgear. One or two braids or a single ponytail or equivalent may be worn down the member's back with length not extending below a horizontal line running between the top of each sleeve inseam at the under arm through the shoulder blades. The braid(s) or ponytail or equivalent cannot be worn over the shoulder or pulled in front of the body. They shall extend down the member's back. Multiple locs, braids, twists or cornrows may come together down the back in one or two braids or a single ponytail. Hair must not exceed length and bulk standard and headgear must fit properly.

7.10.1.2.1. 7.10.1.2.2. A braid/twist must continue to the end of the hair without design and following the contour of the head, and may be worn loose or in a secured style within hair standards. **Exception:** Micro-braids or twists are not required to continue to the end of the hair.

7.20. Specific Cadet Uniform Wear Guidelines.

7.20.1. Cadet Uniform Wear Guidance/Policy for School Hosted JROTC Events:

7.20.1.1. School Sponsored Military Ball with Awards Ceremony: Units have two options they may choose to utilize.

Option 1: All cadets can wear the AFJROTC and SFJROTC Service Dress uniform.

Option 2: Each male and female cadet will be given the individual option to wear their AFJROTC and SFJROTC Service Dress uniform or to wear formal or semi-formal civilian attire. Any civilian attire worn must be in compliance with any/all school and district policies.

NOTE: Option 2 would allow block schedule school students to attend who are not currently in AFJROTC and SFJROTC and who may not have uniforms currently issued to them.

7.20.1.2. School Sponsored Dining-Ins/Dining-Outs with Awards Ceremony: All AFJROTC and SFJROTC cadets will wear their AFJROTC and SFJROTC Service Dress uniform.

7.20.1.3. For any other event, the SASI, in conjunction with the school Principal will decide on the appropriate attire for AFJROTC and SFJROTC cadets.

7.20.2. Cadet Uniform Wear Guidance for Fundraising:

7.20.2.1. There are no concerns with businesses contributing money to an AFJROTC and SFJROTC booster club or other private clubs associated with AFJROTC and SFJROTC that are NOT established by the Air Force as part of the program.

7.20.2.2. If businesses make a monetary donation, AFJROTC and SFJROTC instructors and cadets may not advertise for the business in return – particularly in uniform. Doing so would present the “appearance” of an Air Force endorsement of the businesses making the donation. Such an appearance could be interpreted as a violation of the Joint Ethics Regulation.

7.20.2.3. AFJROTC and SFJROTC personnel/cadets should not solicit donations from local businesses at any time.

7.20.2.4. Incorporating Corporate Sponsorship/local business donations as a way to help boost funding for your AFJROTC and SFJROTC program are a great way to fund Leadership Development Requirements (LDR) for your cadets. The key is to contact your district and follow the above guidance to help keep sponsors and AFJROTC and SFJROTC units within the scope of the Joint Ethics Regulation.

Added. Hands in pockets are allowed while standing or walking and beverage consumption as indicated while walking.
