The Middle College at GTCC High Point  
901 S. Main Street  
High Point, NC 27260

Dear Parent/Guardian:

This letter provides important information regarding the **2025-26** course registration process at The Middle College at GTCC-High Point. The resources and information below will help guide decisions about your child's course requests and help them reach the next stage of academic progress.

The Middle College at GTCC-High Point will host a Parent Night to review the registration process. You may also find information about our school's registration process on our website.

A link to the online version of the registration book can be access by clicking <https://gcsnc.com/counseling>. The registration book contains information about the multitude of choices in GCS and is designed to help you and your child make the best choices for middle/high school education and post-secondary opportunities.

Your child will register for course requests using the Online Course Registration **in PowerSchool**. The student online registration window will open from March 1-10, 2024. Parents/guardians may review their child's **2025-26** course requests by accessing the PowerSchool Parent Portal. You may find the parent portal on our school's webpage by clicking the tab for Parents - INSERT THE TITLE ON YOUR WEBPAGE - Class Registration. **After students have completed their initial selections, they will work with counselors to ensure the selections are appropriate and that they are on a path to achieving their long-term goals.**

Students will receive a copy of their course requests for the **2025-26** school year. Please take time to review and discuss your child's course selections. We encourage students to take advantage of rigorous coursework as GCS is proud to offer courses and programs that will prepare students for educational and career opportunities after high school. **A confirmed schedule will be available this summer.**

Sincerely,

Stephanie D. Preston
