

## AP Calculus AB Syllabus 2024-2025

<b>Teacher</b>	Ms. Ashburn	<b>Email</b>	ashburk@gcsnc.com
<b>Remind</b>	@ashburnap2	<b>Planning</b>	4th block
<b>Tutoring:</b> Learning Hub on Thursdays 4:30-6:00 and Tuesdays by request			

The best way to reach me is by Remind; I always have my phone on me. You can also email me at [ashburk@gcsnc.com](mailto:ashburk@gcsnc.com).

### Course Description:

This is a college level course. It follows the Advanced Placement Calculus AB syllabus, which can be found at [apcentral.collegeboard.org](http://apcentral.collegeboard.org). The primary goal of this course is to develop students' understanding of calculus, provide opportunities to apply its techniques, and prepare students for a second semester college calculus course or AP Calculus BC.

### Supplies:

- Your GCS Chromebook
- Your GCS Chromebook charger
- Pencils
- Notebook
- Folder

**Grading Policy:** *Grades will be available in PowerSchool weekly. They will be calculated as follows.*

Tests	60%
Quizzes	20%
Classwork/Homework	20%

### Late Work:

If you find that you need to submit an assignment late, **you must email me immediately to ask for an extension.** Keep in mind that I reserve the right to deny requests for extensions based on classroom engagement. Extensions will grant four additional days to complete and submit your assignment. There will be a ten percent point deduction for each day it is late.

Please note that work submitted late will be graded late. Current assignments will take precedence over late submissions.

### Absent Work:

All assignments (with a few exceptions) will be available in Canvas. Make it a habit to check Canvas everyday to complete assignments. Upon your return to school, check the absent work folder to collect any assignments that may have been handed out in class. It is your responsibility to look for and complete what you missed. You will have three days after your return to school to submit any and all work you missed during your absence.

As per the Southern Guilford High School attendance policy, missing 4 or more days will result in No Credit Status. Time can be made up during learning hub in the morning before school or in the afternoon on Tuesdays and Thursdays.

### Homework:

Homework will be assigned regularly. It is an excellent opportunity to practice skills learned in class and identify areas in which you need more help; thus, it is important that homework is completed each time it is assigned. You should use the last 10-15 minutes of class each day to work on homework and attend learning hub when you need extra help. It is expected that students in an AP course will spend about 4-5 hours on homework each week.

### Quizzes/Tests:

Quizzes and tests will be administered regularly. All tests will be announced in advance but not all quizzes will be planned. It is your responsibility to be ready for a quiz at any time.

**Behavioral Expectations:**

You are expected to abide by the Guilford County and Southern Guilford High School rules and regulations at all times. These are outlined, in detail, in your student handbook and will be strictly enforced.

Rules	Consequences
<ul style="list-style-type: none"><li>• Respect people, property &amp; time.</li><li>• Follow directions.</li><li>• Stay on task.</li><li>• Stay off of your phone during instruction.</li><li>• Stay on topic when using your laptop.</li></ul>	1st Time = Warning 2nd Time = Student-Teacher Conference 3rd Time = Family Contact Severe = Discipline Referral

**Phone Policy:**

Your GCS Chromebook is the ONLY device you are permitted to use during class. Upon entry, students must place all devices in the suitcase and leave them for the duration of class. Failure to comply will result in confiscation of devices and contact home.

**IMPORTANT DATE:** The AP Calculus AB exam is on Monday, May 12th 2024. All students enrolled in AP Calculus AB are expected to register for and take the exam.
