Dear Southern Guilford Families,

As we prepare for potential **Remote Learning Days** due to inclement weather or other circumstances, we want to share our plan and expectations with you.

Daily Schedule:

On Remote Learning Days, students will follow the **regular daily class schedule** unless otherwise noted. This consistency ensures that students stay engaged and connected with their teachers and peers throughout the day.

SGHS Regular Daily Bell Schedule:

Time	Activity
9:20 – 10:56	1st Block
11:00 – 1:00	2nd Block
10:56 – 11:20	1st Lunch
11:25 – 11:50	2nd Lunch
12:05 – 12:30	3rd Lunch
12:35 – 1:00	4th Lunch
1:04 – 2:40	3rd Block
2:44 – 4:20	4th Block

Live Instruction:

Teachers will provide **LIVE instruction during each class period** to support learning, answer questions, and conduct regular check-ins. **Students have already been shown how to log in to access these live sessions** and should be familiar with the process. If there are any issues, teachers are available to assist.

Student Expectations (as outlined in the Remote Simulation Day Protocol):

- **Log in on time** to each class using the regular daily schedule.
- **Participate actively** during live instruction, including responding to questions, completing assignments, and engaging in discussions.
- **Cameras should remain on** when required, and students should follow school behavior and dress code expectations.

- **Attendance will be taken** each period. Students must attend the full session to be counted present.
- **Assignments are due** according to teacher instructions. Missing work will follow regular school policies.

Additional Information:

- Students enrolled in courses through **GTCC** or **NCVPS** should continue attending their classes as scheduled. Our plan ensures no conflicts with these programs.
- Teachers will communicate any additional instructions via Canvas and email.

We appreciate your support in ensuring a smooth and productive learning experience during Remote Learning Days.

Sincerely,

Rodney L. Boone
