

Comprehensive Progress Report

Mission: Lindley Elementary School partners with family and community members to provide a safe and respectful environment in which 21st century learners feel empowered to accepting creative challenges that promote academic achievement, social growth, and cultural diversity.

Vision: Lindley Elementary School will strive to promote academic excellence through rigorous lessons that allow our students to reach their highest academic potential while ensuring they grow up to be responsible community members.

Goals:

By the end of 2024-25, decrease the 2023-24 percentage of students who were chronically absent by 5 percentage points.

By the end of 2024-25, decrease the 2023-24 number of lost instructional days due to In-School Suspensions and Out-of-School-Suspensions by 10%

By the end of 2024-25, increase 2023-24 Math Proficiency (grades 3 through 5) by at least 3 percentage points

By the end of 2024-25, increase 2023-24 Science Proficiency (grades 5 and 8) by at least 3 percentage points

Notes:						

	KEY	B2.03	The school has established a team structure among teachers with specific duties and time for instructional planning.(5143)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>			Teachers develop lesson as grade levels and/or individually. Teachers utilize district resources (such as curriculum guides) to plan lessons weekly. There is also a committee structure where SIT members are assigned to the committees to facilitate the reporting of information to the larger group. Professional Learning Communities meet weekly.	Limited Development 10/15/2021		
<i>How it will look when fully met:</i>			There are established norms for professional learning communities and school committees. Agendas and minutes are inputted into Indistar to allow for all stakeholders to be able to monitor the progress of their work. Instructional Teams are manageable groupings of teachers by grade level to develop instructional strategies aligned to the standards-based curriculum and to monitor the progress of the students in the grade levels or subject area for which the team is responsible. Teams will expand their reach and begin collaboration vertically to ensure instructional alignment throughout the school. The master schedule will allow for two extended days of planning and data analysis for each team to collaborate.		Meredith Whitt	06/30/2025

Core Function:			Domain 2: Talent Development			
Effective Practice:			Practice 2A: Recruit, develop, retain, and sustain talent			
	KEY	C3.04	The LEA/School has established a system of procedures and protocols for recruiting, evaluating, rewarding, and replacing staff.(5168)	Implementation Status	Assigned To	Target Date
<i>Initial Assessment:</i>			The district provides recruitment events to attract high quality candidates to Guilford County Schools. There are no additional or formal recruiting initiatives provided by the school. The school utilizes the North Carolina Educator Evaluation System (NCEES) to evaluate certified staff. Historically, the school provided guidance on development of Professional Development Plans (PDPs) for teachers. There have been various incentives provided for staff to reward outstanding work, such as leave early passes and a Teacher of the Month designated parking spot. There has not been consistent procedures for replacing staff. Depending on circumstances, staff who would be working with the new staff member would be involved in the interviews and contribute to the decision making.	Limited Development 10/15/2021		
<i>How it will look when fully met:</i>			Lindley Elementary School will have specific staff designated to provide recruiting activities, such as attendance at College Fairs. A promotional video for the school will be developed to show to prospective staff. Staff designated with recruiting will also be provided with major talking points for interactions with potential staff. For employee evaluation, administration will work one on one with staff to develop Professional Development Plan (PDP) goals that are differentiated for their learning needs. There will also be a consistent process for current staff to provide input through participation in the interviews when replacing staff.		Kevin Smith	06/30/2026
