2nd and 3rd Grade Field Trip to the History Museum

Our 2nd and third grade students had the opportunity to visit the Greensboro History Museum. Some of the highlights included, getting to see old cars, buildings, and a school house. It was a lot fun learning about different parts of history. They even had a chance to make practice working in a pharmacy. It is always fun getting to learn about things that you don't know about by visiting new places.
