

THE WASHINGTONIAN

CAREER WEEK AT WASHINGTON

Washington Elementary celebrated college and career week last week with various events. Some of the highlights included, dressing like superheros, wearing college shirts, and wearing camouflage. We also enjoyed getting learn about different careers from our parent volunteers.

3rd and 4th Grade Symphony

Our third and fourth grade students visited the Tanger Center in downtown Greensboro to see the Greensboro Symphony. They played many different instruments and songs. Our favorite instrument was the big harp and the trumpet.

Exploring at the Children's Muesum

Third grade students visited the Greensboro Children's Museum. Highlights included visiting the baby center and the hopsital.

THE WASHINGTONIAN

5th Grade Visits Hairston Middle School

5th grade had a great opportunity to visit Hairston Middle School and learn all about classes and sports in middle school.

Mad Scientist

Kindergarten students had a visit from the Mad Scientist this week. Students had the opportunity to do various science experiments and demonstrations about weather.

Insect Scavenger Hunt

2nd grade students had an outdoor scavenger hunt to look for various insects. This was a culminating activity after spending the unit in knowledge learning about various insects.
