Congratulate your teen!

Congratulatory ads are created by the yearbook staff to leave a lasting message for your senior. As this is the last year your teen will be in high school, a senior ad is a great way to congratulate them on their future graduation, remind them of special memories, show meaningful and memorable photos, or simply leave them with a personal message.

INSTRUCTIONS FOR AD SUBMISSION

1. Use credit card, debit card or PayPal, go to **yearbookforever.com** and enter our school name.
2. Next, you will upload your photos and your message. **IMPORTANT: You will not be able to upload more photos or edit the senior ad after the purchase is made, so make sure you have all of your photos chosen before you complete the online order.** After your message is entered, photos are uploaded and the payment is processed, the yearbook staff will design it from there.
3. Go back into the site to order your yearbook and that's it!
4. You will receive an email with a PDF proof of the ad for approval before the yearbook goes to print.
