

City Life Holistic Ministry

Purpose: Address the primary holistic needs of 11–19 year olds, equipping and empowering them to become transformed lifelong followers of Jesus, through comprehensive ministry efforts. City Life Holistic Ministry integrates the five areas of literacy listed below throughout the City Life site within the context of relational ministry:

- Spiritual and Moral
- Education
- Social and Civic
- Health and Safety
- Economic

Effects:

- Spiritual growth occurs as basic needs are met and focus shifts from “surviving” to “thriving”.
- Young people have learned and are practicing basic life skills.
- Lost young people grow in their knowledge and understanding of Biblical truths and are becoming lifelong followers of Jesus.
- Young people are achieving and experiencing educational success.
- Young people are becoming positive influences on their peers and in the community.
- Young people understand and cultivate a lifestyle of Godly stewardship.
