CrisisGo - Student Email for Using CrisisGo App

Students in GCS have a system email address and a second alias email address. It is very important to use the system email address when setting up the CrisisGo app for a student.

Examples of email addresses: James Sumner with Student ID of 123456789 System email address is 123456789@stu.gcsn.com Alias email address is sumnerj6789@stu.gcsn.com

To login to the CrisisGo App

1. Open the CrisisGo app.	
2. Press Sign In With SSO.	CRISISGO Account/Email Plassword Sign In Forget Plassword? OR Sign In With SSO
3. Enter your GCS email address (<i>studentid</i> @stu.gcsnc.com) and press Continue. Be sure to use the studentid version of your email 123456789@stu.gcsnc.com NOT sumnerj6789@stu.gcsnc.com.	
4. The GCS login screen will display.	COULEFORD SOAR TO GREATNESS Soar TO GREATNESS Sign in with your organizational account pomeone@example.com Password
5. Re-enter your GCS email address (<i>studentid@stu.gcsnc.com</i>), enter your password, and press Sign In. Be sure to use the studentid version of your email 123456789@stu.gcsnc.com NOT sumnerj6789@stu.gcsnc.com.	

If you have used the alias email to login to the CrisisGo App, follow these steps to change to

1. Open the CrisisGo app.	
2. Click the More icon at the bottom.	CrisisGo + Q Search Group My Safety Network Safety Center 02/22 District Office-Staff 02/03
	What messages TEST-Covid Visit 02/01 Reported Check In: Covid Health Report Guilford-All Staff
3. Click Settings.	More Account ID 4218299 [-] My Account Richard Sumner > Training Center > Feedback > CrisisGo Academy > Settings >
