

OVERVIEW

- All classes taught by GCS teachers **online through Canvas**
- Families can visit this link to register students: <http://bit.ly/GCSmathsummer2020>
- Registration **ends June 26th**
- Courses run **July 6 – August 7**
- **Courses are not graded** and will not appear on a transcript. They are supplemental and meant to mitigate any learning loss that may have occurred during school closures

COURSES

READY FOR MATH 6

For current 5th grade students who may need additional support to be ready for Math 6.

READY FOR MATH 7

For current Math 6 students who may need additional support to be ready for Math 7.

READY FOR MATH 8

For current Math 7 students who may need additional support to be ready for Math 8.

BRIDGE TO NC MATH 1

For students currently enrolled in Accelerated Math 7 or AIMM who will be taking Math 1 in middle school. It is also open to students who took Math 7 this year and would like to skip Math 8 next year and move directly into Math 1 as an 8th grader. For Math 7 students, there will be online exam at the end of the course to see if students are ready for Math 1.

READY FOR MATH 1

For current Math 8 students who may need additional support to be ready for Math 1.

READY FOR MATH 2

For current Math 1 students who may need additional support to be ready for Math 2.

READY FOR MATH 3

For current Math 2 students who may need additional support to be ready for Math 3.
