

Miss Hager's Classroom Management Plan

We strive to be bucket fillers in this classroom. Students earn Pom-Poms or “fuzzies” for positive behavior. Likewise they can lose pom-poms for negative behavior. My goal is to redirect negative behavior by filling students' buckets who are making positive choices. Feel free to give pom-poms located in the top of the bucket storage organizer in the back of the room.

We also have a classroom bucket. If another teacher/adult compliments our class, we earn a GIANT fuzzy for our CLASS BUCKET. This is the biggest deal ever and we get very excited about this! The giant fuzzies are located next to my computer.

If a student has 6 or more fuzzies, they will earn Fun Friday on Fridays at 1:40. Thanks!
