Each student will take two (2) encores per semester. <u>Students have the option of taking a year-long encore (Band, Chorus,</u> <u>Orchestra, or Spanish 1A)</u>. Students can only chose one (1) year-long encore. If students choose a year-long encore, they will be prompted to select an "Alternate" encore. This is just in case their first selection is full.

\*Please Note\* ELD (English Language) is a required year-long course for students whose first language is not English. If your student is required to take ELD, this will replace the year-long course your student selects. ELD <u>DOES NOT</u> appear on the registration page. Your student's grade-level counselor will advise if ELD is a required course when your student begins the new school year.

Students will be able to select up to three (3) semester long encores (Art 7, Exploring Apparel & Interior Design, Exploring Engineering, and Computer Science Discoveries II). Follow the same process to make your selections. <u>\*Pay close</u> <u>attention to the number of selections you can make.</u>\*

3. Once all courses have been chosen for all subjects, click "Submit\* at the bottom of the page.

4. The list of your course requests will appear and the counselor at the school can now view the requests.
