Mental Health Services

*Please note this list in this guide is not intended to be an all-inclusive list of acceptable mental health providers in Guilford County, nor an endorsement of specific agencies selected to serve Guilford County Schools. Best practice for providing parents with options for their child to receive services is to give them the names of at least three providers from which they can choose.

Substance Use Prevention and Intervention Services

*Please note this list is not intended to be an all-inclusive list of acceptable providers in Guilford County, nor an endorsement of specific agencies selected to serve Guilford County Schools. Best practice for providing parents with options for their child to receive services is to provide the names of at least three providers from which they can choose.
