

What's the difference between your GCS and your UNCG Login?

GCS Information for Logging In

Sign in using your Student ID and GCS Password.

Student ID is your lunch number
GCS Password is your birth date

To access your GCS email from the school's website:

Hover your mouse on the Students tab and on the drop-down menu click on **Student Email Login**.

Email: studentIDnumber@stu.gcsnc.com

Password: Birthdate MMDDYYYY

Example: If Jessie's birth date is January 5, 2006
She would type 01052006 as her password MMDDYYYY (no dashes)

How to log into your GCS Google Drive:

Go to: drive.google.com

Last Name(s)	First Letter of First Name	Last four #'s of Student ID	@mygcsnc.com
--------------	----------------------------	-----------------------------	--------------

Please note: You only have a Google account using Google Drive only.

If you are unable to access your GCS account, please let Mrs. Mitchell know so that a ticket can be submitted to IT.

UNCG Information for Logging In

Email: username@uncg.edu

Password: Your 16 characters or more password that you set

You will need the UNCG email address and password to access the Eduroam network and your UNCG Canvas account.

To log into Eduroam on your Chromebook:

UNCG Email Address & Password

- Find the Eduroam network
- Click on the drop-down and select **PEAP**
- Where you see Identity, type in your UNCG email address: yourusername@uncg.edu (type your entire email address)
- Where you see Password, type in your UNCG email password (You also use this password to access your UNCG Canvas account)
- Then Click Connect.
- Wait for the Chromebook to join the network.

TRY THIS FIRST:

If you need to reset your password, go to this website: reset.uncg.edu

This site will prompt you to resetting your password with the authentication that you set.

TRY THIS SECOND, IF THE FIRST OPTION DOESN'T WORK:

If you are unable to reset your password using the site, contact UNCG 6Tech at 336.256.8324.
