

Hello Southwest Family,

This is your proud principal, Dr. Richmond, with your updates for the week. Here are your announcements for the week of June 1.

Thank you to our students, staff, and families for making our prior week of testing smooth and focused.

At the Ranch

-Tomorrow, we will test science 8 for our 8th grade students. Please ensure that they get good night's sleep, and are at school on time. Testing will begin around 8:45am. The remaining test days are at the bottom of the email version of this message.

-8th grade families, please ensure that you are seeing Mr. Ehlers' messages about the 8th grade dance, and about the amazing change for the 8th grade promotion ceremony. I want to sincerely thank the Novant Field House at the Greensboro Coliseum. I am humbled by the help that they have provided us in the last-minute hours prior to 8th grade promotion. That is what community is about! Please ensure that you have read, asked about, followed instructions in Mr. Ehlers announcements about ticket pick-up, so that you can be in attendance for this Southwest first!

-The 8th grade dance will take place on Friday of this week. Again, please reach out to Mr. Ehlers with any questions.

Those are all of your announcements for the week. I look forward to seeing your child's smiling face tomorrow at Southwest, where we will do the right thing.
