

# Math III Syllabus

## Teacher Contact Information

Nieda Young  
youngn@gcsnc.com  
(336) 370-8180 Ext: 394627

## Course Topics

Key Features of Functions  
Polynomials  
Radicals  
Logarithmic  
Trigonometry  
Quadratics  
Rationals  
Exponentials  
Circles  
Statistics  
Geometry-Proving congruence of figures

## Math III Supplies

Students may use any method they consider appropriate for taking notes, handling worksheets, and staying organized throughout the year. However, it is recommended that students maintain a 3-ring binder for handouts and worksheets, as well as having a pencil each day for class.

## Food and Drink Policy

Students will not be allowed to have food or drink in the classroom except for bottled water. If a student does need a snack during the day, it is most appropriate for that to be handled during scheduled class changes.

## Grade Distribution

Students will receive an overall grade in Math I based on the following point distribution:

Tests/Projects.....	50%
Quizzes.....	30%
<u>Class/Homework.....</u>	<u>20%</u>
Total.....	100%

## Grading Scale

Students will receive a letter grade at the end of the year in Math III that corresponds with the new 10-point grading scale below:

90 - 100 .....	A
80 - 89 .....	B
70 - 79 .....	C
60 - 69 .....	D
0 - 59 .....	F

## Test Day

Students will take tests for Math III on Thursdays unless extenuating circumstances require that the test be given on another day. If that is the case, advance notice will be provided in class.

## Homework Policy

Students will be expected to complete homework each and every night that is assigned. Every assignment will be checked the following class period based on effort and completion. The number and length of assignments may vary from week to week depending on the topic.

## **Tutorial Schedule**

Students will have the opportunity to attend after-school tutorial sessions. Tutoring may be done with any Math Teacher; Ms. Young will stay on Wednesdays afternoons from 4:15-5:00 in the classroom. Students will be expected to inform the teacher of their desire to attend tutoring, sign-in when they arrive and sign-out before the leave.

## **Make-Up Work Policy**

Students who are present in class will be expected to turn in all assignments on time. In the case of an absence from class, students will be allowed three (3) school days to make-up and turn in a missed homework assignment. Any quiz missed due to an absence must be made up before the current unit test. Any test missed due to an absence must be made up before the next unit test.

## **Tardy Policy**

Students will be considered tardy if they are not completely inside the classroom at the end of the bell. It is acceptable for students to be out of their seat as long as they are in the process of preparing for class. Students who receive one or more tardies will be issued the following consequences:

- 1st offense - Warning
- 2nd offense - Warning and call home
- 3rd offense - Call home with consequence
- 4th offense - Administrative referral

## **Electronics Policy**

Students considered to be in violation of the electronic device policy will be issued one warning before being asked to leave the classroom and report to SI. Administration will handle any and all disciplinary action that may result. In addition, students will not be allowed to charge their electronic devices in the classroom.

## **Restroom Policy**

Students will be allowed to leave class one-by-one for the restroom during individual practice time only, at the teachers' discretion. Students will be required to sign-out before leaving class, carry the hall pass while they are gone, and sign-in when they return to class. Students may NOT leave class during tests and/or quizzes nor during the first and last ten minutes of class. (Note: a test and/or quiz is not considered complete until the entire class has finished and turned it in.)

## **Classroom Behavior Consequences**

Students considered to be disruptive during class will be disciplined in a manner consistent with that of the Tardy Policy. In rare cases, abnormally disruptive circumstances may require that a student(s) leave the classroom and report to SI. Administration will handle any and all disciplinary action that may result.

## **Staying Connected**

Students can sign up for text message alerts, reminders and receive additional assistance related the Math I by sending a message using the following information:

TO: 81010  
MESSAGE: @aaa2gf

**All communication will be strictly related to Math III. Messages received after 8pm will be responded to on the following day. Any violations/inappropriate usage will result in a write-up.**

In addition, students can keep up with PowerPoint notes, homework sheets, and project rubrics on the class webpage at:
