

SMNS FAQs:

How do I register a student?

Complete the online SchoolMint Application, come to our school to fill out the paperwork, and please bring a copy of the child's birth certificate and proof of address.

How long will my student be at SMNS?

Students remain at SMNS for one (1) year, at the end of one full year, the student gets transitioned to their zone school which is determined by their address.

What if my student is absent?

Please send a doctor's note or a handwritten note stating the date, student name, and reason along with the parent's name and signature. This can be given to Mr. Cortez at the front office.

When does my student get a bus?

GCS Department of Transportation takes about 5-10 business days to send our school new student bus information.

What if the bus doesn't stop in the morning?

Please call the GCS Department of Transportation at 888.511.4427

What does my student need for the first day?

Preferably a notebook and a pen/pencil. We provide students with a GCS computer they can use while they are in school.

Please call our front office support Mr. Cortez at 336.522.6326 for any questions.

Who do I contact about...

Registration, attendance excuses, bus information, general questions:

Alberto Cortez-Martinez,
