# Welcome to your Chromebook!

These Chromebooks are different from the Lenovo laptops we have been using. Please make sure you have completed the first Nearpod lesson before logging on for the first time. Please make sure you have completed the second Nearpod lesson before using the Chromebook. If you need to refer back to the lesson information, the videos will be found on the Library Media Center Canvas page and the KMS website.
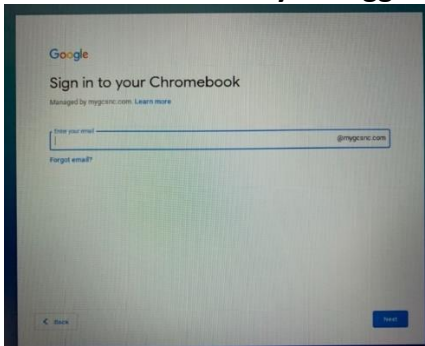

Login:

1. **Connect to Wifi:**
 At school choose the GCS network.
Your initial login should be completed.

2. You should already be logged into Google. If not, here's how:

(auto filled- don't need to type)

Last Name(s)	First Letter of First Name	Last four #s of Student ID	@mygcsnc.com

3. **Sign into using your GCS credentials:**

GCS student email: studentID@stu.gcsnc.com (1234567@stu.gcsnc.com)
GCS student password: DOB (MMDDYYY) ex. Feb. 14, 2007 = 02142007

Your Microsoft apps will download. This may take a while the first time.
