

A happy, successful future looks different for everyone.

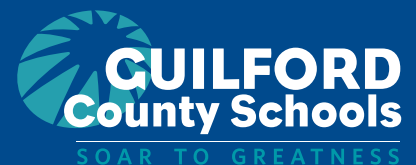

We all want a great path for our children.

At Guilford County Schools, we offer choices that personalize learning. A safe, supportive environment. A sense of belonging and connection — across our school family and our greater community. And, an inspiring diversity of experiences and support, both inside and outside the classroom, to prepare students for every challenge and opportunity that comes their way.

Why we're proud:

- Early College at Guilford was ranked best in the state and fourth best STEM high school in the nation.
- Three GCS high schools have made the top five in the state: Weaver Academy, Penn-Griffin School for the Arts and the STEM Early College at NC A&T.
- Strong community and business partnerships and innovative learning spaces that prepare students to be changemakers and problem solvers.
- Trained school counselors and programs to support students as they plan for their futures.
- Record-high college scholarships and grants in 2020.
