FIRST WEEK OF SCHOOL !

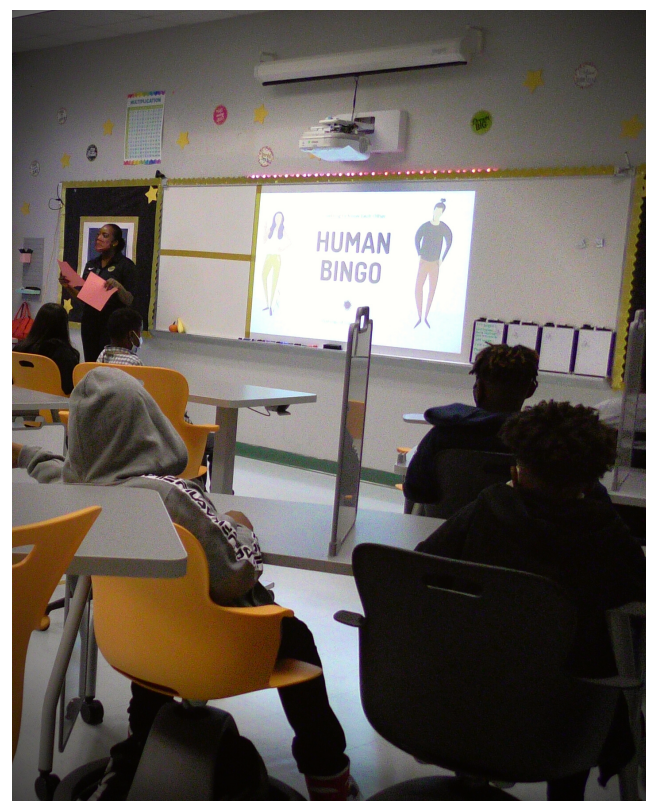

Hairston Middle School proudly welcomed its students & staff to the first day of school for the 2021-2022 academic year. After a year of virtual learning, students are now back in action, Face to face learning with their teachers and peers.

SOARING WITH SEL ACTIVITIES !

Teachers kicked the school year off with SEL (Social Emotional Learning) activities that were recommended by the SEL Coach or activities teachers picked on their own. Teachers were challenged to find ways to engage students more within the classrooms & to figure out how they can adapt these activities to align with their curriculum and the subject's standards.
