

Second Grade News

- ◆ Please remind your students they should be reading and completing math homework nightly.
- ◆ Students should be practicing math facts nightly. Zearn can be used as an extra practice activity at home, which can be found on NCEdCloud through Clever. On Canvas you can also find some virtual manipulatives to help as needed.
- ◆ Please make sure your students are bringing their devices charged fully each day, along with their materials needed.

- ◆ 9/22/21– Math Topic D quiz
- ◆ 9/22/21– Interim Reports go home
- ◆ 9/24/21– Math Module 2 assessment

Math

We will be starting our measurement unit this month. We will learn how to measure with rulers, and other objects.

Science

We will be learning about more about the weather. Weather conditions, measurement tools, and weather patterns.

Knowledge

We will be starting our new unit on Early Asian Civilization We have just finished Fairy tales and Tall tales. Students listen to the stories and answer questions to show their understanding.

Skills

We will be reading the Cat Bandit stories. A copy will sent home so you can re-read the stories together for extra practice. We will also be starting our spelling words. Assessments will be given weekly for each set of words.

ABSENCES

It is extremely important that your child arrives on time to school everyday! We begin instruction at 7:25 and do not end until 2:10. Try to avoid coming in late and/or leaving early. 5 unexcused tardies equals 1/2 day of absence.

Ideas for parents:

- **Make math flashcards with index cards**
- **Practice spelling words and alphabetic order**
 - **Do math homework with child**
- **Read for 30 minutes each night and ask comprehension questions**
