CLASSROOM NEWS

In our third grade classrooms we have been learning about what it means to be a good citizen in our classroom, our families and our communities.

In Science we are learning about landforms and water.

In Math we are learning how to multiply and using the commutative property of multiplication as well as working on division.

In Reading we have been learning how to use the text to answer questions as well as themes in reading. We have studied the themes of responsibility and irresponsibility, hospitality and loyalty and friendship.

REMINDERS
