SCHOOL MEALS FOR 2022-23

WHAT YOU NEED TO KNOW

The federal waivers that allowed districts to serve breakfast and lunch for free to all students have ended. All parents, regardless of income, are encouraged to fill out the meal benefits application, because this information is used for other purposes, including EBT benefits and Title I designations.

To fill out the application, go to
www.lunchapplication.com.

If you participate in an assistance program, you will need to know your case number (not your card or account number) when filling out the form. If not, you will need to know your adjusted gross income and any Social Security or retirement benefits you receive.
