JUNE '23

THAT 'S A WRAP , 22-23 YEAR! 🌟

As we come to the end of our 2022-2023 school year, we want to take a moment to offer our sincere 'THANK YOU' to all our staff for their determination, hard work, understanding, and enormous flexibility. It has been such a joy traveling together through this memorable and often challenging year. We cannot thank you enough for your constant support to our EL students. We cannot be successful without you cheering on your students, believing in them, challenging them to give their best effort, and always staying in communication with their families. They need you, and we are grateful you are there for them!

We want to wish each member of our GCS EL community a very happy, healthy, and safe summer break. Again, our deepest thanks for everything you did to help make this school year a successful one! It has been an honor to work alongside you .

Thanks to our extraordinary GCS EL staff who ensure every student gets the best experience possible. Have a great summer!
