Vision

Be a global learning community that inspires innovative leaders.

Ferndale Middle is the only International Baccalaureate (IB) Middle Years Programme (MYP) in High Point, NC. We are a school that encourages middle school students to create connections between their coursework and the real world, thereby preparing them for future academic and life success.

The MYP seeks to cultivate active learners and young people with a global perspective who can empathize with others and pursue meaningful lives. The program enables students to investigate a vast array of locally, nationally, and globally significant issues and concepts. The result is the development of creative, critical, and reflective youth.
