Information for Applying to **High School Options**

Where do I go to get information about my magnet options?

Please explore our [Guilford County Schools Catalog](#) to learn more about our 126 schools. The [Magnet Schools webpage](#) has more information about the magnet options available.

During the application window – Feb. 5 to March 4 – there will be many opportunities to learn more about our choice schools and programs:

- **Open Houses** – dates and times for each school will be posted on the GCS Magnet Schools' webpage

- **High School Options Nights** – 6 to 7 p.m. on Feb. 12 at Union Hill Elementary and Feb. 20 at Jefferson Elementary

How do I access the online magnet application?

Beginning on Feb. 5 at 5:30 p.m., the link to the online magnet application will be available and posted on the GCS website home page, on the Magnet Schools' page and shared through multiple social media outlets.

STEP ONE:

Clicking on [this link](#) will take you to a Welcome Page where you will be asked to create a family account. Each family should create ONE family account for all the children in the household. Families will be

required to provide a cell phone number or email address as part of the application process. Families may select an alternate language to complete the process.

STEP TWO:

Complete a separate application for each child who is applying for a magnet program. A list of available schools will appear. Select the schools that you wish to apply to and list them in order of preference. Read the Magnet Schools procedures carefully before completing the requested information. Once you submit the application, you may not make any further changes so fill in each area carefully.

The magnet application window is Feb. 5 to March 4, 2020. Don't miss your chance!

What information will I need to have available as I am completing the application?

- Mobile/cell phone number and/or email address
- Home address
- GCS Student ID number (same as student's lunch number)
- Current school name
- School assignment by attendance zone for next school year (use the [School Assignment Locator](#) if unsure)
- For some schools:
 - Recommendations from teachers – you will need the name and email address for each teacher
 - Electronic copies of recent report cards, EOG/EOC test scores, resumes
 - Parent/guardian education level and household income
- Students not currently enrolled in GCS may be asked to provide additional documentation.

How many schools can I apply to?

Each student may apply to as many high school options from their list of available choices as they wish. You will be asked to rank order the schools by preference. This rank order will not impact your chances of receiving an offer from each school. However, the rank order will impact whether or not you remain on a waiting list once you receive responses from each school. If you accept an offer, you will remain on the waitlist for any school ranked higher than the school where you accepted the offer, but you will be removed from the waitlist for any school ranked lower.

Once you have completed the application and clicked submit, modifications to the application will no longer be accepted.

The application deadline is March 4, 2020, at 5 p.m.

Any applications submitted after that date/time will be classified as late applications and will not be considered in the initial selection process.

Students may be invited by some schools for an interview, audition, or additional assessments after April 5. Not all schools conduct interviews or auditions.

When will I know if my child has been offered a magnet seat?

Families will receive notification of magnet seat offers by April 30, 2020. Notifications will be communicated by email or text according to the notification method selected when families set up their account. Families must accept or decline offers by May 10, 2020.

Once a family has accepted an offer from a magnet school, they will receive a link to request transportation and an invitation from the school with an appointment to complete the enrollment and registration process.
