

JONES ELEMENTARY

502 SOUTH STREET | GREENSBORO, NC 27406 | PHONE: 336.545.2015

WHO WE ARE

David D. Jones Elementary is a PreK-5th grade school of approximately 720 students. Our mission is to help Jones students develop higher-order thinking skills and become leaders in their community. Students will mature into global citizens, who value equality, unity and respect for all.

WHAT WE OFFER

- Jones is the home of two unique programs, a traditional program known as the Neighborhood Leadership Program K-5 and a full Spanish Immersion Program K-5
- Children learn the Spanish language naturally in everyday classroom situations and through subject instruction

POINTS OF PRIDE

- Our multicultural immersion education has become a model for other schools in North Carolina and across the nation
- Research has shown that immersion students are capable of achieving as well as — and in most cases better than — non-immersion pupils on standardized tests
- Our teaching staff represents fourteen different countries and the Commonwealth of Puerto Rico
- In 2018-2019 we Exceeded Expected Growth for the second year in a row! We also Exceeded Proficiency Growth goals in grades 3-5 reading and grades 3-5 mathematics and moved from a state report card letter grade of “C” in reading and math to a “B” in both with an overall “B” report card letter grade
