

THE STEM EARLY COLLEGE AT N.C. A&T STATE UNIVERSITY

402 LAUREL STREET | SMITH HALL ROOM 004 | GREENSBORO, NC 27411
PHONE: 336.370.8580

WHO WE ARE

The STEM Early College is the district's only STEM accredited early college and serves high-achieving students interested in pursuing careers in science, technology, engineering, and math. STEM Early College takes pride in producing leaders who innovate, solve problems, and create a better domestic and international community proven by our local and national recognitions.

WHAT WE OFFER

- Early College design in which students complete high school requirements in two years followed by two full years of transferable college credit
- Four STEM pathways: biology, information technology, renewable energy and sustainability, or engineering
- AP Capstone program and internships in their junior and senior years, respectively
- CTE dual-enrollment opportunities in STEM and information technology
- Diverse classrooms and learning experiences

POINTS OF PRIDE

- STEM Early College is the only public school in North Carolina to be named STEM certified and accredited by the Southern Association of Colleges and Schools by the global review board
- Designated a STEM School of Distinction by the North Carolina Department of Public Instruction, the William and Ida Friday Institute for Education Innovation, and the Golden Leaf Foundation
- 2018 National Blue Ribbon School of Distinction by United States Department of Education
- 2018-2023 National School of Character/ 2018-2021 State School of Character
- 100% graduation rate and college acceptance rate
