Mission

Peace. Learn. Lead.

Vision

Students will thrive in a safe and peaceful learning environment that values diversity, fosters respect and encourages independence. All stakeholders, including staff, students, parents, and community members, will work together to provide an environment in which students develop a life-long love for learning. Provide challenging and enriching educational opportunities to enhance unique talents and meet individual needs.

Triangle Lake Montessori (TLM) is a public magnet school with an emphasis on teaching the Montessori philosophy of education created by Dr. Maria Montessori. We serve students in Pre-Kindergarten through fifth grade. Dr. Maria Montessori (1870-1952) wrote over a century ago that, "Our aim is not merely to make the child understand, and still less (to) force him to memorize, but... to touch his imagination as to enthuse him to his inmost core." We are proud to continue her legacy with our public magnet school. Peacemakers are encouraged to discover and nurture their abilities and to be confident problem solvers. Let Peace on Earth begin at Triangle Lake Montessori.
