

CREATING and MANAGING YOUR ONLINE ENROLLMENT SYSTEM ACCOUNT – PARENT GUIDE

The Creating an Online Enrollment System Account process is for families new to Guilford County Schools or returning after being enrolled outside of Guilford County in the 2021/2022 school year.

Online Enrollment System accounts should only be created by the parent. The phone numbers and email addresses used to create the account should also be the parent's information. This site is **not** for students.

The Online Enrollment System account will allow you to do the following things:

1. Enroll student in a Guilford County School for the first time.
2. Update your contact and emergency contact information for your student. (Not yet available)
3. Complete a change of address form due to a move, if you intend to stay at your current school.
4. Complete a School Choice application during the school choice application period, which usually takes place in late January, early February.
