GCS' Guilford Parent Academy and Counseling Services team up offering the new College and Career Readiness virtual webinars. The College and Career Readiness Guides provides a personalized plan designed to help students in grades 8 - 11 pursuing a diploma as they prepare for graduation and life after high school. GCS is the first district in NC to offer these guides, which show students where they are, and the action steps needed to accomplish their academic goals. Students can see their progress toward graduation, college choices, and entrance requirements for college along with Career and Technical Education (CTE) pathways.
