INNOVATIONS WAIVER PATHWAY

Navigating Your Pathway: Unlocking Support Systems for Individuals with I/DD and Their Families

Two dates:

Tuesday, December 3rd from 7:00 - 8:30 pm *Spanish Interpretation will be provided*

Thursday, December 12th from 12:00 - 1:30 pm

This presentation provides an overview of the Meet the Need NC movement aimed at supporting individuals with intellectual and developmental disabilities (I/DD) and their families. Attendees will learn about the Innovations Waiver, its significance, and the services it offers. Other topics include the Innovations Waiver Waiting List, Medicaid, Tailored Care Management, and 1915(i). Key tools, including the Innovations Waiver Pathway and Tip Sheet, will be introduced to help navigate support systems for families.

The session will also address common myths, highlight ongoing community engagement, and outline future initiatives. Join us to empower individuals, families, and advocates with essential knowledge and resources for supporting individuals with I/DD throughout their lifespans.

Presented by:
