1. Start at GTCC.edu and look for the box with the three lines on the right side of the screen.

2. Click on the three lines and a new window opens; you will see the different categories. Hover your cursor at Academics until the list below pops up and then click on High School Programs.

3. Once you click on High School Programs, you will see this page with "learn more" in a green box. Click on "learn more".

4. This will now take you to CCP's main program and information page. Please take the time to review the information posted. We are currently working on updating information so checking regularly is recommended.

Career and College Promise: Try on College in High School

Career and College Promise offers North Carolina high school students the chance to earn college credits at a community college campus. The program is tuition-free for high school juniors and seniors (semester fees will apply). You must have a **cumulative unweighted GPA of 2.8** or higher or passing test scores.

Students can earn:

CCP Career Technical Education Pathway >

5. Scroll down the page until you see:

 Determine your Career and College Promise Pathway - Write the Pathway name and Code on your Verification Form. Please refer to the Dual Credit Allowances Document for information on how the high school credits dual courses. This also shows which GTCC classes are needed for high school requirements.

There are two types of Career and College Promise Pathways:

- College Transfer Pathways GTCC offers nine different college transfer pathways
- Career/Technical Education Pathways GTCC offers numerous certificate and diploma programs.

Use the link below to view Pathway options:

CCP PATHWAY INFORMATION

- 2. Complete the Online Application and Verification of Student Eligibility Form.
 - GTCC Application for Admission
 Online Application Link:
 - https://www2.cfnc.org/exclusive.html#/applicationlogin/GTCC/GTCC CCP/GTCCAppCCP

You will need to create an account on CFNC.org. Please include your social security number on the online application.

- <u>Verification of Student Eligibility Form</u> [PDF] Please make sure that you have all the required signatures and that you have included the pathway. Leave GTCC ID blank.
- Current High School Transcript Please send a copy of your latest transcript with the Verification of Student Eligibility Form. If you attend a public high school, you may request this through cfnc.org. Please provide your High School ID # on the Verification Form. If your transcript is in a sealed envelope, you may open it and scan it. Home School Transcripts courses must be listed by grade level, signed and dated by the principal, and include a cumulative unweighted GPA.
- Copy of Home School State Registration (if applicable)

3. Scan your Verification of Student Eligibility Form and email it to <u>ccpadmissions@gtcc.edu</u>. Do not copy and paste the documents into the body of the email. Please use the "attach" command.

Once you have submitted your application packet:

- Please frequently check the email listed on your application. If something is missing, you will be notified. Once the
 application is processed, the applicant will receive an email with Titan Account Activation Instructions.
- 1. Students will need to select a pathway. Pathway selection for College Transfer students should be driven by the Transfer Guide(s) from CFNC.org. <u>https://www.cfnc.org/plan-your-future/plan-for-college/transfer-student-planner/to-unc-system-institutions/transfer-guides/</u>
- 2. Once you've determined your pathway, click on the application link that takes you to CFNC.org. If you do not already have an account, you will need to create one. If you already have one and have saved the information to your computer, you may automatically go to the application itself. You will need your Social Security Number for the application if you have one.
- 3. Your transcript can be requested through CFNC.org at the time you complete the application.
- 4. You will then need to complete the Verification of Student Eligibility/VSE Form (PDF). All areas requesting signatures and initials must be "wet signed"-meaning we do not accept any form of electronic/typed signature. We encourage you and your parent/guardian to carefully and thoroughly read the information on the linked pages.
- 5. Please scan and return the signed VSE form to the email address in the last highlighted sentence.

Do make sure to read all the information on this webpage and the FAQ section.
