2/6/2025

Erwin Montessori Elementary School
600 West Terrell Street
Greensboro, NC 27406

Dear Parent/Guardian:

This letter provides important information regarding the **2025-26** course registration process at Erwin Montessori. The resources and information below will help guide decisions about your child's course requests and help them reach the next stage of academic progress.

Erwin Montessori will host a Parent Night for 4th and 5th graders on February 6th. The school counselor will be there to answer any questions regarding registration. You may also find information about our school's registration process on the Erwin Montessori school website.

A link to the online version of the registration book can be access by clicking <https://gcsnc.com/counseling>. The registration book contains information about the multitude of choices in GCS and is designed to help you and your child make the best choices for middle/high school education and post-secondary opportunities.

Your child will register for course requests using the Online Course Registration **in PowerSchool**. The student online registration window will open from February 14 - 23, 2025. Parents/guardians may review their child's **2025-26** course requests by accessing the PowerSchool Parent Portal. You may find the parent portal on our school's webpage by clicking the tab for Parents. **After students have completed their initial selections, they will work with the counselor to ensure the selections are appropriate and that they are on a path to achieve their long-term goals.**

Students will receive a copy of their course requests for the **2025-26** school year. Please take time to review and discuss your child's course selections. We encourage students to take advantage of rigorous coursework as GCS is proud to offer courses and programs that will prepare students for educational and career opportunities after high school. **A confirmed schedule will be available this summer.**

Sincerely,

Charnita Cook
School Counselor
Erwin Montessori
